Dear Chairman:

This letter is in reference to the hearing you will be conducting on Tuesday, October 24, 2006 regarding **Karen's Club** located at 7730 North 76th Street.

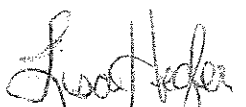

We are writing to show support to Karen's Club and ask that you reconsider the length of time you have imposed upon the owner to keep the club closed. We have had several events that have been very successful and without incident. Personal Touch Ryders was a sponsor for Karen's Club Car and Bike Show in July 2006 which brought in attendees from as far as Caledonia and Lake County, IL. This in itself shows us that the great reputation of the club has traveled past the borders of Wisconsin.

Ms. Karen Hubbard has been a great friend to PTR for over a year now. She allows us to have our monthly meetings there without charge. She has supported any and all events that PTR has had in the past year. We believe that Karen's Club is a place for mature adults to come together and the incidents that have brought you to this decision are isolated ones.

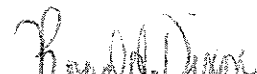

We, the members of PTR, ask that you reconsider your previous ruling and allow Ms. Karen Hubbard the opportunity to continue to serve a population that looks forward to a mature atmosphere on an evening out.

Respectfully,

 Donna Burrell
