This sounds like a request for an extension. This email authorizes an extension for the below referenced COA (PTS #114854) until 12/31/2021.

Tim,

Thanks for the recent approval. I have a question regarding our previous COA issued on 9-18-2019. We didn't install the temporary fencing along the south side of the property and wondered if we could still do that or did we need to reapply? It was on page 6 of that COA?

Thanks,
