SUBJECT: 4th ALD. DIST. - FILE #121513  
INSTALL NO PARKING ON THE EAST SIDE OF  
NORTH MILWAUKEE STREET FROM A POINT 385 FEET  
NORTH OF EAST STATE STREET TO A POINT 23 FEET  
NORTH THEREOF

Dear Alderman Bauman:

This is in response to your request on behalf of the Courtyard Square Condo Association at 1108 North Milwaukee Street to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that condo residents exiting their parking garage have a difficult time seeing traffic traveling northbound on North Milwaukee Street when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Subject: 8th ALD. DIST. - FILE #121513  
INSTALL NO PARKING ON THE SOUTH SIDE  
OF WEST CANAL STREET FROM  
WEST ROUNDHOUSE ROAD TO A POINT 100 FEET WEST

Dear Alderman Donovan:

This is in response to a request we received from the Menomonee Valley Partners to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found west bound motorists on West Roundhouse Road have a difficult time seeing traffic traveling east bound on West Canal Street when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
