**Subject:** Clark License Objection

You don't often get email from [License](#). [Learn why this is important](#)

Please see the letters below which were previously submitted in objection to the Clark House licenses. We do not see these letters in the legislative files and would like to have this entire email placed into the permanent record for reference by legislators and by the public.

These objections are still valid based upon current conditions at these facilities. There is an oversaturation of rooming houses, group homes, and rundown apartment buildings in this neighborhood. The Clark House properties were rezoned as part of the 2004 Comprehensive Plan and should have reverted to residential use when they were sold in 2020. The exterior of these properties creates blight and slum conditions in this neighborhood, and the Department of Neighborhood Services refuses to enforce building codes at these locations. There are also extensive issues with nuisance activities and crime at these locations that have gone unabated, and the City of Milwaukee doesn't appear to care about the impact that these facilities have on the safety and welfare of the public in the surrounding neighborhood.

It is uncertain if valid licenses actually exist at these locations given the current zoning, but we respectfully request that the use of these properties as rooming houses be discontinued so that the plan that was informed by hundreds of citizens in 2004 can be implemented.

Thank you.

To the Milwaukee Common Council Licensing Committee:

REDACTED RECORD

Unfortunately, we have not seen these types of reinvestments in the surrounding neighborhood including many of the rooming houses, and the Licensing Committee did the right thing in taking away the rooming house license from 2424 W. Kilbourn Ave. on September 10, 2019. The property received many property code violations when the license was not renewed (see attached – issued by DNS 9/12/2019 -2 days after the hearing). Can anyone explain why these work orders were not issued until this property was **no longer a rooming house**? Why rooming house inspections don't include **building code violations**, and consist of just environmental inspections? Neighbors in the area had tried for years to get the Clark House complex of buildings inspected for building code violations, and DNS resisted doing so **until the rooming house license was not renewed for this property**. Can anyone explain why **this is the policy the city of Milwaukee follows**? So many questions regarding the disparate treatment of rooming houses in terms of code enforcement in the city of Milwaukee.

Here is the breakdown of rooming house licenses in the city of Milwaukee by aldermanic district as of June 20, 2020, as downloaded from the city's website:

	<u># of Rooming House Licenses</u>	<u>% of total Rooming House Licenses</u>
District 1 – Hamilton	0	0.0%
District 2 – Johnson	1	0.7
District 3 – Kovac	21	15.6
District 4 – Bauman	59	43.7
District 5 – Dodd	0	0.0
District 6 – Coggs	4	3.0
District 7 – Rainey	1	0.7
District 8 – Zamarripa	12	8.9
District 9 - Lewis	0	0.0
District 10 - Murphy	0	0.0
District 11 - Borkowski	0	0.0
District 12 - Perez	28	20.7
District 13 - Spiker	0	0.0
District 14 - Dimitrijevic	4	3.0
District 15 - Stamper	5	3.7

Total

135

We see the huge concentration of rooming houses in aldermanic district 4, and they are heavily concentrated in Avenues West. We further see that these properties are not properly cited for code violations when a rooming house license is involved - counter intuitive, but completely born out from the history of 2424 W. Kilbourn and others in the neighborhood. Now that this property no longer has a rooming house license, we respectfully request that this license be denied based upon the code violations, living conditions, and nuisance activities that have historically persisted at this location, and due to the damage that these conditions create in the surrounding neighborhood. Per the 9/10/20 meeting, it should revert to a duplex as you intended.

Finally, the city of Milwaukee Common Council approved a rezoning plan for this property from RM6 to RT3 in 2005 - in keeping with the Near West Side Neighborhood Plan which was passed by the Common Council on March 19, 2004 - in an effort to de-densify and to encourage redevelopment of this specific parcel and others within 2 blocks. RT3 zoning does not support future use of this parcel as a rooming house (see attached).

Thank you.

Sincerely,

- 2015: - cost \$12,500
- 2017: - cost \$6,375

have also spent considerable time and performing on our a list too numerous to mention here. We often ask ; why continue to invest in a neighborhood where there is so much blight and disinvestment, and the bottom line is that it is the right thing to do. But the poorly maintained conditions of buildings in the surrounding area, including the 5 poorly maintained and managed buildings that make up the Clark House make it extremely difficult to find good increases vacancy rates, suppresses property values and rents, creates blight and crime, ultimately

leading to no new development in the surrounding area for decades. I have had many check crime statistics, and drive through the neighborhood, and they have pointed directly to the Clark House complex of buildings as the reason that they would not move to our block.

I respectfully request that this license be denied based upon the code violations and living conditions that persist at this location, and due to the damage these conditions create in the surrounding neighborhood.

Sincerely,
