Dear Mr. Todd,

I am writing you to recommend Lieutenant Herb Glidewell for the position of captain. I have never met a man that is so dedicated and hard working as Lieutenant Glidewell. As a community advocate I have had the pleasure to interact with Lieutenant Glidewell with the many events that go on throughout the district and I give him credit for being a hands on person that want to get involved with the community and cares about the people. Lieutenant Glidewell takes the time to talk with the community and really listens to what everyone has to say. He shows up for meetings and events and because of his involvement you can see that people seek out Lieutenant Glidewell as they feel very comfortable speaking with him including myself.

I have also seen Lieutenant Glidewell interact with his officers and I have never seen anything but totally respect from all of the officers that report to Lieutenant Glidewell. With his ability to work with the officers and the community can only make Lieutenant a prime candidate for the captain's position a win win for the Milwaukee Police Department and the community.

Warm Regards,

Connie Wilson
