Subject: Taxi Complaint

Thank you for reviewing these concerns. I was driving east on Drexel Avenue in Oak Creek and turning right onto Howell Avenue going south. While turning left and heading south the taxi driver number 693 in a silver car slammed his horn. My window was down and so was his. I calmly said, you have your own lane. He started yelling at me. I responded, your number is 693. He then tailed me and pretty much ran me off the side of the road trying to take a picture of my car. I assume he was trying to intimidate me. I reported this incident in person to a police officer inside the police department in Oak Creek. I am following due process to give the most accurate representation I can to this incident.

Please let me know if you have any questions.

Best,

Subject: Milwaukee Yellow Cab complaint

My formal complaint against Yellow Cab driver #442 that took place 10/6/2016:

Cab #442 picked me up from work around 4:27 pm. I have had this driver before but didn't recognize him until I got in the cab. He picked me up previously about a month ago and demanded that I let him scan my card on his personal cell phone. I refused, citing that the company doesn't allow that. He then demanded cash. I told him I just had my card. I asked why I couldn't use the Verifone system and he lied and said it was out of order. He kept demanding cash at that point and became angry that I did not accommodate his wants. He began shouting in the cab and people at the grocery store started to stare. He was loud and belligerent. Demanding to come inside the store with me so I could get cash.

This behavior continued until I called the company while still sitting in his cab. He told me to get out and pay him 5 bucks extra in cash the next time he picked me up.

10/6/2016: Today he asked if I had cash when I got in the cab. I told him I just had my card. He said "this is a problem". When we arrived to my destination he pulled out his phone and just like previously demanded that I let him scan my card on his phone. I refused and he again asked for cash. I told him I don't normally carry cash and I was not required to as the cab is equipped to take cards. He became angry screaming that he "likes money!" He was loud and acting very erratically. I begged him to let me scan my card on the Verifone because he was harassing me and essentially keeping me hostage in his cab. He would not allow me to do that. He

again screamed that he "liked money". I said let me scan my card and let me out of this cab. I told him I was going to call his company. He finally relented. The charge went through fine.

He printed the receipt and said "look, look, I don't get this money, I like money, GIVE ME MY MONEY!" I exited the cab and he was screaming at me "give me my money". People were staring at me as though I hadn't paid my fare. I ran inside Walgreens hoping that he did not follow me in.

I was terrified because he was screaming at me and turning around trying to get in my face from the front seat. It was humiliating and harassment. I was just a woman who wanted to get home after a day of work. I did not deserve that treatment simply because he wanted payment HIS way. He is a danger to the city and I'm almost positive he has displayed this anger before with others. His license needs to be revoked.

If you have any questions I can be reached at .

Subject: Complaint on American United Taxi - Cab # 89

Hello,
I have worked at US Bank at the downtown Milwaukee US Bank building for over nine years. I regularly ride the Amtrak train from Glenview, Illinois to downtown Milwaukee as part of my routine commute. I then routinely take a cab from the Amtrak station in Milwaukee to the US Bank Building (777 East Wisconsin Ave) as part of my daily commute. I realize it is a "short ride" for the drivers that wait at the Amtrak station in the mornings at 7:30 AM for the Amtrak passengers needing a cab. This is why I always pay \$10 for the fare as this is well above the \$5 or so fare amount - but I appreciate their time in waiting at the cab stand for a short fare.

I had an issue this morning with the driver in American United Taxi cab #89 at 7:30 AM at the Amtrak station. When I approached his cab, his car doors were locked and he would not open his doors. He gestured to me to take the cab in line behind him and then proceeded to open his doors and allow a passenger to get in who was carrying a couple suit cases. I do not believe this is acceptable behavior as I should not be denied a ride because a driver prefers to take a customer that may be going a longer distance. I plan to call this Cab company as well. Thought you would like to be made aware of this issue. Thanks.

Hi Jason,

Per our discussion on the cab complaint—The complainant was The cab company was American United Cab, cab #110. stated that her daughter, whom I spoke to confirm the information, was leaving the hospital around to her place of residence and the cab driver, unprecedentedly, requested that she pre-pay for the fare. felt that this was profiling, not necessarily racial, but more so profiling the neighborhood she was traveling to. If this could be noted on the record, that would be excellent.

PA-33E Narrative

This report was written by P.O. Dean DRAJKOWSKI assigned to the License Unit day shift.

On Tuesday, April 29, 2014, while assigned to Squad 2741 with P.O. Penny BROWN, we received a complaint regarding Airport taxi #119 over charging fares from the airport. There is a minimum \$10 charge from the airport. The complaint indicated the meter read \$10.50 at the end of the ride and the driver charged \$16.50.

P.O. BROWN and I went to General Mitchell International Airport located at 5300 S. Howell Ave. I observed Taxi cab #119 parked in the taxi stand waiting for a fare. The vehicle was a beige 2006 Ford Crown Victoria, four door, bearing license plate #495THC WI/14. The driver was identified as Gamal B. WALY, W/M, 05-14-52, of 12746 W. Euclid Ave., New Berlin, WI. WALY had a valid public passenger vehicle license displayed in the vehicle. I spoke with WALY regarding the complaint received. WALY stated he remembered the couple from yesterday at the airport. WALY stated he drove them to the area of 23rd and Edgerton St. WALY stated he told the couple the fare was \$14.50. WALY stated the meter reading was \$11.50 or \$10.75 and they had three additional \$1.00 charges for the airport, extra passenger, and baggage. WALY stated he thought everything was fine when he dropped them off because the male passenger gave him \$18.00 for the fare. WALY stated he believed the additional money was a tip. I explained to WALY that the money was still not adding up correctly. WALY apologized and offered to return money if necessary. I asked WALY if he had his trip records from the date. WALY provided me with his trip records dated from April 21. I asked why he had not filled out his daily trip records in the past week. WALY did not have any reasonable answer. WALY stated he rents the cab from the permit holder. The permit holder was Lisa SHIKHMAN, W/F, 04-23-59, of 6508 W. Aspen Tree Ct., Mequon, WI. WALY was issued a citation for Public passenger vehicle - daily trip record required.

REDACTED RECORD

From:
Sent: Monday, May 25, 2015 9:16 PM
To: License; Owczarski, Jim; Mayor Tom Barrett
Subject: MKE Taxi Driver Incident/Complaint

To Whom It May Concern:

This is a complaint against MKE Cab license # 140.

My husband and I rode from the MKE airport to our home at . . . I can't say specifically what time we got into the cab, but we were driven directly home, and I had to call 911 at 9:25pm, so I would say we started the ride at approx 9:00pm.

As we entered the cab my husband specifically asked the driver, "you take credit cards, right?", and the driver replied, "oh, yes, yes!". All is well and good until we arrived at our destination. We handed the driver our card as there was NO terminal installed in the cab. He took our card, then reached over to the passenger side of the cab and exclaimed, "OH NO! I left my phone at home, it has the thing, I don't have a way of taking the credit card!". (what cab driver leaves his phone at home!?)

We reminded the driver that we specifically asked, about accepting credit card payment, and he specifically said he did. Then he said, "wait, wait, I'll see if I can do it another way". Then proceeded to fumble around with a huge pile of papers on the passenger side floor, as if looking for a paper/swipe set-up. Naturally he was not able to produce that either. I said, "why don't you call your dispatcher and I can give them the card # and they can process it over the phone". That's when he said, "what dispatcher, it's just me." I went to grab the credit card back from him and he refused to let go, yelling "hey, hey, hey!!!". I told him if he didn't give us the card back that I would

call the police. He said, "fine - call them, go ahead, call them". That's when I dialed 911. In the mean time, my husband offered him \$20 to let us out of the cab and give us our bag back. He refused saying he can write down the card number and run the card "later".

I got a 911 operator on the line and described our problem with the cab driver to her as quickly as possible - she could barely hear me (and visa versa) as the driver was screaming so loudly at that point. I was actually beginning to fear for our safety. I told her that we had agreed on a credit card transaction and that basically we were now being held against our will, by a cab driver that was holding our credit card against our will! I think once the cabbie realized that I actually was on the phone with the police, he agreed to take the \$20 and get rid of us, so he could get out of there before the police actually arrived.

The only identification in the entire cab that I could find was the cab # 140 (a silver mini-van with red lettering). I never asked him his name, nor would he have given it to me I'm certain. I could identify him in a photo though. There certainly was no "Non-cash Payment Passenger Usage Guide" posted anywhere in the cab or I wouldn't have needed to hunt and peck online to find it buried here on the City of Milwaukee website!

I've never even come close to filing a complaint like this before, but I've heard cabbie horror stories from others (especially women traveling alone). Enough is enough. What if we had been out of town visitors? What sort of impression would that have been? I'm embarrassed just thinking about it.

Please follow-up with me so that I know this complaint has been heard, and what, if anything will be done in handling it.

Sincerely,

Tuesday, November 22, 2016

Good afternoon,

At this time there is no opposition to the granting of this license. The above mentioned person is in good standing with the probation department, and feels the license will allow her to continue to apply for employment that she is trying to obtain. She discharges from supervision 9/14/18. If anything further is needed please let me know,

Thank you,

Nicole P. Ford
