Received.

Just to be clear, the intent is as below with individual segments? I understand there will not be a cabinet, but that this is the general concept.

Good Afternoon,

I was looking for some assistance to gain COA at the location listed above. Could you please review the attached and let me know if approved. If approved is there a fee associated? If so can you please tell me the amount we owe so we can get it out for you. I appreciate your assistance and look forward to your response.

Thank you
