

(6-25-21)

Hi my name is Lawrence Withers
I live at 5530 N. 92nd Apt 5322 Milwaukee
Wisconsin.

I am filing a liability claim because
on June 14 2021 at or around 12 noon
a city Garbage truck lost control
of the truck and Hit / ran into
my building crashing right into my
daughter room destroying every thing
in there. I have a big hole in my
wall from the outside in. And my
daughter and I are displaced at the
very moment because the room is not
livable anymore and they had to
turn the electricity off to assure safety.

I have over \$7,000 worth of lost items
and damaged.

Any questions or concerns
Call me 414-484-9267
