Honorable Marina Dimitrijevic
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14TH ALD. DIST. - FILE #200350
INSTALL STOP SIGNS ON SOUTH HERMAN STREET
AT EAST TRIPOLI AVENUE

Dear Alderman Dimitrijevic:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a house and a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
City Engineer

REMOVE YIELD SIGNS ON NORTH 52ND STREET
AT WEST MELVINA STREET

Dear Alderman Rainey:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of bushes that would warrant the above-captioned change in the traffic control at the intersection. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,
