

**Nominee for the Board of Directors of BID #51
February 2026**

Brandon Strand

Director of Government Affairs
Walbec Group

Brandon Strand is a government affairs and association-management professional with extensive experience in infrastructure policy and stakeholder engagement. He previously served for more than a decade as Executive Director of the Wisconsin Asphalt Pavement Association, leading statewide efforts related to sustainable infrastructure and industry best practices. Brandon is a graduate of the University of Wisconsin–Oshkosh and has worked across public and private sectors in government relations, strategic communications, and organizational leadership.
