Attw: Claims

RE. 920 N 28th Street

In the first week of January 2001 The city had sub contractors removing snow from the Street & alley way in and around 920 N 28th Street, The city's contractors ~~to~~ dumped snow on my vacant lot with out my permission and ripped up the Lawn so it needs to be regraded see pitchers # 1 & # 2

When removing the snow from the alley behind the building the large piece of equipment hit the retaining wall & hand rail with his bucket popped the wall out and pushed the hand railing through the building I did call a Rick Pollich from property damage and he did take pitchers also I can be reached at 414 640 3739 at any time and see pitcher # 3 for wall

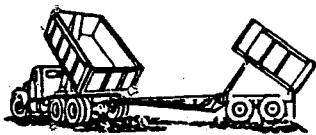

Thank you
