RE: Introduction of one Resolution Relating to Expenditure of Funds
to be Reimbursed by Greater Than Anticipated Revenue
(Milwaukee Police Department Res. 090250)

Dear Council Members:

We are submitting the attached resolution and fiscal note for introduction at the September 22, 2009 Common Council meeting. This resolution requests the authority to increase 2009 appropriations in the Special Purpose account for Contributions. We established the Estimated Contribution Revenue account as a source of funds for general city purposes at \$2,100,000.00. The current contribution revenue received to date exceeds \$2,093,899.49. There is insufficient appropriation authority in the contribution revenue account to carry out the execution of resolution 090250.

This resolution is recommended for adoption.

Respectfully submitted,

W. MARTIN MORICS
Comptroller
