8TH ALD. DIST. – FILE #020016
INSTALL MID-BLOCK CROSSING
ON WEST PITTSBURGH AVENUE 360 FEET
WEST OF SOUTH 16TH STREET

Dear Alderman Donovan:

This is in response to a request we received from Mr. Martin Schriber of Potawatomi Casino to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that since large numbers of pedestrians cross from the casino's parking structure located on the south side of West Pittsburgh Avenue to the casino located on the north side of the street, we have no objection to installing this crossing.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL STOP SIGNS ON
SOUTH HERMAN STREET AND EAST WILBUR AVENUE

Dear Alderwoman Breier:

This is in response to a request we received from Ms. Kakatsch to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the Milwaukee Police Department records show that three crashes were reported in less than 6 months. We, therefore, in the interest of public safety, recommend the installation of stop signs on South Herman Street at East Wilbur Avenue.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

REMOVE NO TURN ON RED ON
NORTH HAWLEY ROAD AT
WEST BLUEMOUND ROAD SOUTHBOUND

Dear Alderman Murphy:

We previously covered the "No Turn On Red" restriction on North Hawley Road at West Bluemound Road on a trial basis because of illegal turn maneuvers on the northwest corner. This trial has been in effect for 88 weeks and we have not received any complaints, therefore, we recommend a permanent removal. Legislation will be prepared for consideration at the next Public Safety Committee meeting.

Very truly yours,

Jeffrey S. Polenske, P.E.
