Hello,

I took a group of coworkers in yellow cab number 501 today. We were treated and spoken too very disrespectfully by the driver after we asked to pay with a credit card. He was combative and repeatedly told us the cab card system was not working. When we pressed him on how this is unacceptable based on the rules, he continued to yell at us which is uncomfortable as a group of young women to be screamed at by a stranger.

Thank you,

As per my conversation with Linda on 10-4-16 here is my description of the event in question.

On the weekend of October 1-2, I was in Milwaukee on business. I needed to travel from the hotel, Hilton Garden Inn at the airport, to Serb hall at 51st and Oklahoma on Sunday the second. I asked the hotel desk to obtain transportation for me, assuming it would be a cab. This was at 9:45 AM.

The driver showed up at about 10AM which was when the event I was going to opened. He was driving a Mercedes 250(?) with no meter inside from Klassic Limousine service. I didn't think much about a limo service showing up as many hotels I have stayed at have used these services for local trips. He asked me to wait in the car for a minute as he went into the hotel. He returned in short order and when asked about the fair responded that he would give a better rate than a cab company. When pressed again about the rate he told me it would be determined by mileage only. I had been told that the hall was only 5-6 miles away by another member of my group. I agreed to proceed partly as it would be very inconvenient to wait for another ride and I didn't think a 5-6 mile trip would be too much.

He continually attempted to reassure me that he would give me a good rate, lower than a cab company as he drove. We entered the freeway and I questioned it as I was told it was an easy trip just up the road and then a short left to the hall. He again tried to reassure me it was quicker this way around numerous traffic lights. The harder he tried to reassure me the more skeptical I became.

When we reached the destination he announced a distance of 9 miles and produced a card that looked like something anyone could print out on their computer with their rates on one side and cab rates on the other. His stated rate was \$35 for 9 miles and the cab rate was listed as \$45 for the same distance. I questioned the total but again was shown the card and told I was given a good rate. I paid the \$35 and asked for a business card so I could call for my return trip. I was given a professional card for Klassic Limousine Service with the name Latoun and phone number of 414-737-2896.

After my event I called a normal cab, American United, for my return trip. The fare to get me back to the hotel was \$22.75 and we used the freeway for a very short stint.

I feel that Klasic Limousine and the driver Latoun lied to me and misled me into paying an unfair rate for my trip.

Subject: Pedal Tavern

Dear Jose,

I want to register my very strong objection to renewal of Pedal Tavern's license.

- 1) The owners run a bar that attracts nobody, because it's a dump. But they want to make our streets their premises. It's not fair to all the bar owners who have invested in building an attractive destination.
- 2) They seem to have taken special parking privileges for themselves, putting down cones wherever they please, including in no parking zones.
- 3) The pedal cars are a menace to traffic.
- 4) It seems to be a thing to scream and holler loudly the entire time when riding the pedal tavern. I have personally been cursed at and given the finger by riders for no reason.
- 5) I have NEVER ONCE seen a person of color on a pedal tavern. I can't say why, but this is not a friendly neighborhood service. This is a service that caters to, as far as I can tell, exclusively white people from outside the area who want to come into our neighborhood on their worst behavior.

I am proud of our neighborhood, as you know. I think Pedal Tavern cheapens the atmosphere. This is not Bourbon St. in New Orleans. I don't think this company deserves special privileges their competitors do not enjoy.

Thank you.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Public Works and the Common Council of the City of Milwaukee. The hearing before the Public Works will take place on 4/26/2017 at 9:30 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Public Works makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Public Works to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
