Mr. J. Allen Stokes,

We live on 2970 N. Stowell Ave and we would love to see the neighborhood improved thru new investments. What make this part of the city so great is the possibility to walk to a bakery, a grocery shop or a movie theater that gives the great opportunity to meet the neighbors and at the same time be environmentally friendly. We strongly believe that the investment project on Downer will not only keep the neighborhood "Atmosphere" but greatly improve it. This is good for Milwaukee and Wisconsin. Please vote YES for the Downer Ave. project.

Thank you for your time and your support.

Yours truly.
