Hello,  
I'm writing in effort to let it be known that I oppose a proposed smoke shop opening:

I am told that the license is being sought by a Ricky Adams, who was previously denied a liquor license for the same location in a close vote. He is applying for a food retail/convenience store with tobacco (we already have several in our area). The application even appears that it may be appealing the liquor denial already. The name of the business is Power Depot 4534 West North Ave.

I strongly oppose this business, or any similar liquor/tobacco Business in our neighborhood.

Thank you for your time and consideration,

Cox, Andrew

Members of the License Committee,

I am writing this to express my opposition to a Food Retail/Convenience Store License application for 4534 W. North Avenue for Power Hour Depot, (Rickey Adams). Instead of bringing in more businesses that are seeking short sighted goals, we need to bring in more business that fill other critical needs in the community. Instead of providing more of the processed foods that are already abundant in other convenience stores, we need to bring fresh fruits and vegetables to improve the health of people living nearby. Over abundance of cigarettes, convenience foods and processed food is contributing to high rates of diabetes and high blood pressure.

I would not be surprised if this business will seek a liquor license for the high profit margins. This will only feed into the alcohol abuse that is already leading to crimes (mental and physical abuse, DWI and gun violence). How long until a CBD license is added?

Please deny this license and leave room for positive community building businesses.

Regards,

Cox, Andrew

License Committee, City of Milwaukee,

CC Alderman Russell Stamper.

This letter is to express opposition to an application for food retail/convenience store licensure by Rickey Adams for Power Hour Depot 4534 West North Avenue in Milwaukee. There are a number of convenience stores already stocking primarily highly processed foods in the area. This does not meet a need in our neighborhood. And more tobacco sales, and in particular more alcohol sales -which the applicant has given the idea is his ultimate desire to appeal and apply for- I believe are detrimental to our neighborhood. A smoke shop recently opened very near to this location on North Avenue and already neighbors have indicated they believe it is attracting drug traffic.

As a home owner and resident of thirteen years in the neighborhood desiring a bright future for the neighborhood, I appeal to you to deny this application. Your support for the well being of our Uptown Crossing neighborhood is appreciated.

Sincerely,

**Electronic Communication**

Dear Chairwoman Zamarripa,

I am writing to urge the Licenses Committee to reject the application of "Power Hour Depot LLC" for a Class A Malt & Class A Liquor and Food Deal License at 4534 W North Ave.

As Chairwoman of the Milwaukee County Board and the County Board Supervisor who represents this neighborhood, I wholly support responsible economic development that creates well-paying jobs and promotes the well-being of families in the community. To that end, I believe there are more creative and impactful ways to utilize this space to better improve the health and lives of individuals who call this area home and make it more family-oriented and inclusive for all.

Liquor stores often have a disproportionate presence in neighborhoods of color, contributing to a range of negative impacts. These establishments can perpetuate cycles of poverty, while also increasing crime rates and decreasing property values. Moreover, the over-concentration of liquor stores can exacerbate health issues like alcoholism and substance abuse within these communities. This unequal distribution of liquor stores in communities like Uptown reflect system inequities and reinforces social and economic disparities.

I would urge the Licenses Committee to refuse this application and look forward to any opportunities to work with you as we strive to make Milwaukee County a healthier and more equitable community for those we represent.

Thank you for your consideration of my comments.

To Whom It May Concern,

We have received information that a new liquor store may open at 46th Street and North Avenue, specifically 4534 North Avenue. While we appreciate the idea of new businesses coming into our neighborhood, we are concerned about opening another liquor store in an area where we already have 15+ nearby.

We have been living in this neighborhood for the past eight years and have noticed an increase in the frequency of gunshots. In the first year of living here, gunshots were very rare, but now they have become a common occurrence. Our neighborhood lacks proper police and safety measures, such as foot patrols, bicycle police patrols, or regular car patrols. Unfortunately, there has been an increase in shootings in our community, and the combination of guns and alcohol is never a good one.

We walk around our neighborhood daily and have noticed that the amount of litter in our immediate blocks has increased. The location where this liquor store is supposed to open is particularly bad with discarded small, cheap liquor bottles and broken glass scattered on our sidewalks and streets. It is quite disturbing to see this, and I fear that another liquor store would only contribute to this problem.

We would like to emphasize the need for positive change in our neighborhood. We disapprove of another store with cheap booze entering our community, further degrading our safety and overall neighborly feel.

We object to this establishment by Power Hour Depot opening in our neighborhood.

Sincerely,

To whom it may concern,

My neighbor brought to my attention that you have received an application from Power Hour Depot, Power Hour Depot LLC for a Class "A" Liquor and Malt Retailer's license for the property at 4534 W. North Ave. I am writing to express my strong objections to granting such a license for anyone for this property.

My family has lived on the same block of the property in question for over 10 years. During that time, we have worked very hard with our neighbors to create a family-friendly culture of safety and security. I believe the presence of a liquor store would greatly compromise the culture we are striving to nurture.

On your Notice of Public Interest Form, it states that objections should address the "adverse impact on the health, safety and welfare of the public and the neighborhood."<sup>1</sup> Numerous studies show that liquor stores do have the propensity to have such an adverse impact. John Hopkins Bloomberg School of Public Health, for example, reported in a study that "Such stores have been shown to be an important component of the social infrastructure that destabilizes communities."<sup>2</sup> Another example is found in a report from The City University of New York. They note that in neighborhoods with a past history of redlining (such as our neighborhood), there is a correlation between the prevalence of liquor stores and violent crime.<sup>3</sup> Researchers noted that such correlations are not limited to New York, but are being reported around the country. The researchers concluded that licensing is one effective way of addressing this problem.

One might argue that we need to bring more thriving businesses into our neighborhood, and that would be true. We do need business—such as groceries, pharmacies, restaurants, etc. that can contribute to the economic well-being of our neighborhood. A liquor store does not do this. As a

recent publication from the Medical College of Wisconsin notes, "Bars and alcohol retailers are sometimes viewed, incorrectly, as drivers of growth and prosperity in some communities."<sup>4</sup>

As a licensing board, you have a lot of power to control the quality of life for our neighborhood. We already have to deal with other negative issues on a regular basis such as slum lord properties and the crime they draw, and have learned that once a property becomes a problem, it is difficult to turn it around because of Milwaukee's lack of enforcement resources. You have a chance to stop a problem before it begins. If the LLC claims that it will be an exception to the kind of studies I have cited—which are only a small sampling of the many that exist, I would ask that you have them prove their case with documented research from authoritative sources; that they prove that they can have a positive impact on the health, safety and welfare of the public and the neighborhood through that kind of a business. There are plenty of commercial properties in the Milwaukee area that are not located in residential neighborhoods and that could give this LLC a place to do its business. Please do not let them do business in our neighborhood at the expense of our well-being.

Sincerely,

Hello,

I am a close resident to the proposed liquor store and liquor licence for Power Hour Depot at 4534 W. North Ave. Without any information about this business and how they plan to conduct business in this area, I object to the liquor license. There are liquor stores at both 30th on North and at 60th on North, and bars all in between. I have not been shown, and have not seen how adding another liquor store will add moral value to our neighborhood.

Good Evening,

I am writing this email as a concerned citizen of a neighborhood in which I have lived for over 15 years. I . . . . . The proposed malt/liquor license for the address located at 4534 West North Avenue, I have to say that myself and my family object to and are opposed to it. We have seen the recent decline in the neighborhood from vagrants, drug and alcohol addicts to the increased homelessness and approving this license would only magnify this already worrisome issue. There is also no need for another liquor store when I can list and you as the committee can look into it and see that there are at a minimum of at least 5 within a 1 mile radius. There is a greater issue at hand when people have businesses that really matter to the committee, but can't get approval and somehow we can always find a new liquor store or smoke shop on the nearest corner. This over saturation of liquor stores is not helpful and the traffic to that already heavy populated corner would not be suitable. Consideration needs to be given to the people of this neighborhood, myself and my family being part of this community already struggle with safety.

Please consider our objection and safety as I love and support my city but I DO NOT SUPPORT this license approval.

Thank you

**Subject:** Opposition to Liquor License at 4534 n 46 st

I oppose the approval of this license because this property will be a nuisance to the neighborhood. I have lived here for three years and truly love this area but it is delicate. One unruly house or one selfish business can have negative effects that ripple throughout the community. This proposed store would bring an increase in non residents loitering outside on the corners and in cars, consuming alcohol in the open, in vehicles and in alleyways and improperly disposing of them in said public spaces, leaving the neighborhood to pick up the scattered, broken refuse on a daily basis.

There are more than 20 young children who live on this single block alone and their parents will feel significantly less comfortable having their children on foot in the neighborhood even effecting their daily walks to and from the bus stop.

There is very limited parking on north Ave at this location so cars will park on 46, best case being constant (literally) foundation shaking bass rumble from cars and the increased traffic and speeding down our residential block once customers disembark.

The common council has been considering allowing denial of liquor Licenses in areas with concentrated poverty and elevated crime and this area would fit the criteria for both.

As to the liquor store itself, it is of the utmost importance that the holder of a license be committed to the responsible and safe distribution of their wares. The proposed name for this particular venture is Power Hour Depot, a reference to a drinking game in which as much alcohol is consumed as possible in a short period of time. This should give the committee pause as to the seriousness of the applicants.

While there are some business on north Ave in the area, there is a far greater concentration of residential stock. I believe that lack of business density in the case of an problematic establishment would unfairly put the onus on the residential community in proximity to it.

Thanks for hearing my concerns about this proposed establishment, I am interested in any follow up information.

Dear Sir or Madam,

I'd like to express opposition to the license applied for by Power Hour Depot LLC, a Class A Malt and Liquor license for the location 4534 W. North Ave. This neighborhood is already plagued by alcohol litter, broken bottles, and beer cans thrown all over the place. We can't walk our dogs in the neighborhood without avoiding glass on the sidewalks from beer bottles, and kids already stand by thrown out beer cans when they're waiting for their bus in the morning.

This store would add to the problem that already exists, and is not a healthy environment for kids to be in as they make their way to school.

Please keep this license out of our neighborhood and away from the schools.

To Whom It May Concern:

I am opposed to the granting of a Class A Malt License and Class A Liquor License for the address 4534 W North Avenue (corner of 46th & North Ave). We have opposed applications for similar licenses in the past. We have lived on this block since 2006. We have raised our children on this block. We do not want to see the site of the former convenience store approved for the selling of alcoholic beverages.

On March 1, 2024, Power Hour Depot, Power Hour Depot LLC applied for a Class A Malt and Class A Liquor License for the property at 4534 W North Avenue. We are opposed to this property being used for the selling of liquor and alcohol.

Sincerely

License Division,

I am writing to object to and request you deny the APPLICATION Class A Malt & Class A Liquor License for Power Hour Depot, LLC at 2534 W North Avenue.

I have lived in the neighborhood for nearly 10 years and for all 10 of those years our neighborhood has struggled with alcohol related litter, wreckless driving, and intoxicated people wandering the neighborhood. Another liquor store will bring more of all three.

I have yet to mow my front lawn without having to first pick up glass bottles and beer cans. It is impossible to walk our dogs through the neighborhood without having to watch for and avoid broken glass.

Turning onto 46th Street from North Avenue is often not safe - the corner store customers park illegally, don't pay attention to cars or pedestrians, and ignore the traffic lights and barrier/signs indicating that 46th is not a through street across North.

Another Liquor store will bring no value to the neighborhood but will make existing issues exponentially worse.

I do not want a liquor store on the corner of 46 and North because this is a school district and there are day cares where this is an environment for children and with myself raising young children in this neighborhood I fell that it will attract a crowd of too much negativity we already have the mini highway were the homeless people panhandle at so I think it will bring them to our corner and I fell it will be unsafe for my young children to visit the establishments that are already there like Wendy's, convenience store, beauty supply stores, barber shops and hair salons that are already present for them visit we also have a check cashing service that I feel will attract different types of crimes due to the liquor store being there across the street

Hello,

I am writing to let you know, as a resident of Milwaukee that lives close by to 4534 W. North Ave and drives past almost daily, that I object to that address getting a liquor license and selling liquor.

There are many low-income individuals and families that live nearby and a liquor store is not what the community needs. The community needs uplifting businesses such as a grocery store or health food market. In order to prevent further deterioration of the area as well as crime, we should not have liquor be made more accessible. I strongly oppose a liquor store going in. Please feel free to contact me if you have any questions.

**Subject:** New Liquor store Concerns Regarding New Liquor Store Business License Application

To whom may it concern:

I hope this letter finds you well. I am writing to express my concerns regarding the recent application for a new liquor store business license, particularly its proximity to my business at

While I understand the importance of economic development and growth in our community, I am apprehensive about the potential impact this new liquor store may have on the atmosphere and safety of our neighborhood. As a longstanding member of this community, I have invested considerable time and effort into creating a welcoming and family-friendly environment at my establishment.

The presence of a liquor store nearby raises several concerns, including:

1. **\*\*Safety and Security:\*\***

- Liquor stores can sometimes attract undesirable activities or individuals, which may pose safety concerns for our customers and employees.

2. **\*\*Impact on Local Businesses:\*\***

- The introduction of a new liquor store in close proximity could have a negative impact on foot traffic to other businesses, potentially affecting sales and overall business viability.

3. **\*\*Community Image:\*\***

- Our neighborhood has worked hard to maintain a positive and vibrant image. The addition of another liquor store may send conflicting messages about the values we hold dear.

I kindly request that the City Clerk's Office considers these concerns seriously during the review process for the liquor store business license. Additionally, I would appreciate the opportunity to discuss this matter further and explore potential mitigations or conditions that could address these concerns effectively.

Thank you for your time and attention to this matter. I believe that open communication and collaboration can help find solutions that benefit both the new business and the existing community.

I look forward to hearing from you soon.

Our area has been steadily gaining many family friendly businesses and spots to hang out and play. I fear that a liquor license for 4534 W. North Ave would put a dent in our efforts and send our efforts backwards.

We have many positive businesses here at present that we want to nurture. And we anticipate gaining more. A store selling liquor is not a positive addition.

With alcohol abuse being a major problem we anticipate nothing but problems with this easy access to liquor. With the weather warming up, this will only exasperate any problems that might come up. Including loitering panhandling and littering.

On 45th and North there is a garden with an orchard across the street. Tricklebees restaurant is also on 45th. They have a pay what you can menu that is very popular and they run various activities out of their building; yoga and a book club to name a few.

Across the street is a very successful daycare that has been there over 10 years. There is Fresh Start on 44th and North Ave. They help get women off the street. And the SOS Center ( a Lutheran organization) on 46th and North Ave has after school tutoring, activities and serves dinner during the week for grade schoolers.

The French Immersion MPS is on 48th and North Ave. They are K-8. And there is a WIC office on the corner of 47th and North Ave. All of these establishments are a few blocks from the proposed liquor store.

These businesses and services serve mainly woman and children who are easily victimized if we are not diligent. For the sake of our neighborhood's future, please do not grant this licensure.

Thank you.

**Subject:** Objection to 4534 W. North Avenue Liquor License Application

Hello,  
I'm writing to object to the Liquor License application for 4534 W. North Avenue for Power Hour Depot, Power Hour Depot LLC.  
I've been living in \_\_\_\_\_ since 1990 and have seen many changes. \_\_\_\_\_ the Uptown Crossing Neighborhood Association and .

This is a family and children oriented neighborhood, so a liquor store is not a good fit. Many very positive and transformational changes have occurred in this area over the years, and we would like it to keep moving in that direction as challenges still exist.

**Here is a snapshot of that area:**

1. The Uptown Community Garden (since 2013) at 2321-25 N. 45th St. We already find empty liquor bottles left on the garden site and in the street.
2. In 2016 the city planted an orchard across from the garden that is well cared for.
3. Tricklebee Pay-What-You-Can Cafe at the corner of 45th and North Ave (4424 W. North Ave). brings healthy food, calm positivity and attracts families and children. It's more than a restaurant, they hold outdoor family events in the summer and indoor family events in colder weather.
4. There is a daycare center across the street from Tricklebee Cafe.
5. The SOS Center at 4620 W. North Ave. runs an after school program for children from Hi-Mount School, as well as other family oriented outreach.
6. Wee Care WIC Wisconsin is located next to SOS at 4630 W. North Ave.

7. Fresh Start Learning Center Inc, 4314 W. North Ave. has been in the area for many years. Their focus is "meeting the needs of those who have fallen victim to human trafficking, homelessness, hopelessness, drug addiction, or domestic abuse."
8. Zim Knives, 4404 W. North Ave., recently moved their business to this area - the owner is a craftsman and bladesmith.
9. Wendy's is just across the street from 4534, bringing in many children and families from all over.
10. Many neighborhood adults and children frequent the large convenience store kitty corner from Tricklebee Cafe.
11. Traffic and parking are already a challenge at that corner. Wouldn't be surprised if customers end up parking in the Beauty Supply Store's large parking lot just next door to 4534.

I hope you can see from the above that a liquor store is not a good fit. We need businesses that will calm the area, and bring positivity. This area needs much TLC. Please don't throw a local liquor store into the mix.

Regarding the liquor license request for the above address,  
Being a 14 year resident of this community,

I feel strongly, as do my neighbors, that more liquor is not what will serve our neighborhoods best interest.  
I do not consent or agree to this license being granted for more liquor being sold/served on this block of North

There are plenty of other locations to obtain alcohol.

Please help keep our streets safe. We have many families and countless children in this community.

Dear Licensing Division,

I am reaching out about the 4534 W North Avenue application to convert the existing corner convenience store into a liquor store. North Avenue, and particularly this area, already supports many liquor store locations. This represents an over saturation of liquor or smoke related retail in the area, while ignoring more critical services. As a neighbor, I care about what happens nearby, and I do not believe that this type of retail is needed or appropriate for this community when other options already far outweigh the need.

Please consider other uses for this community and invite other business types to activate the corner of 46th and North.

Sincerely,

Roman, Carmen
