I oppose renewing # 14272 Dollar General's license at 1300 E. Locust St..

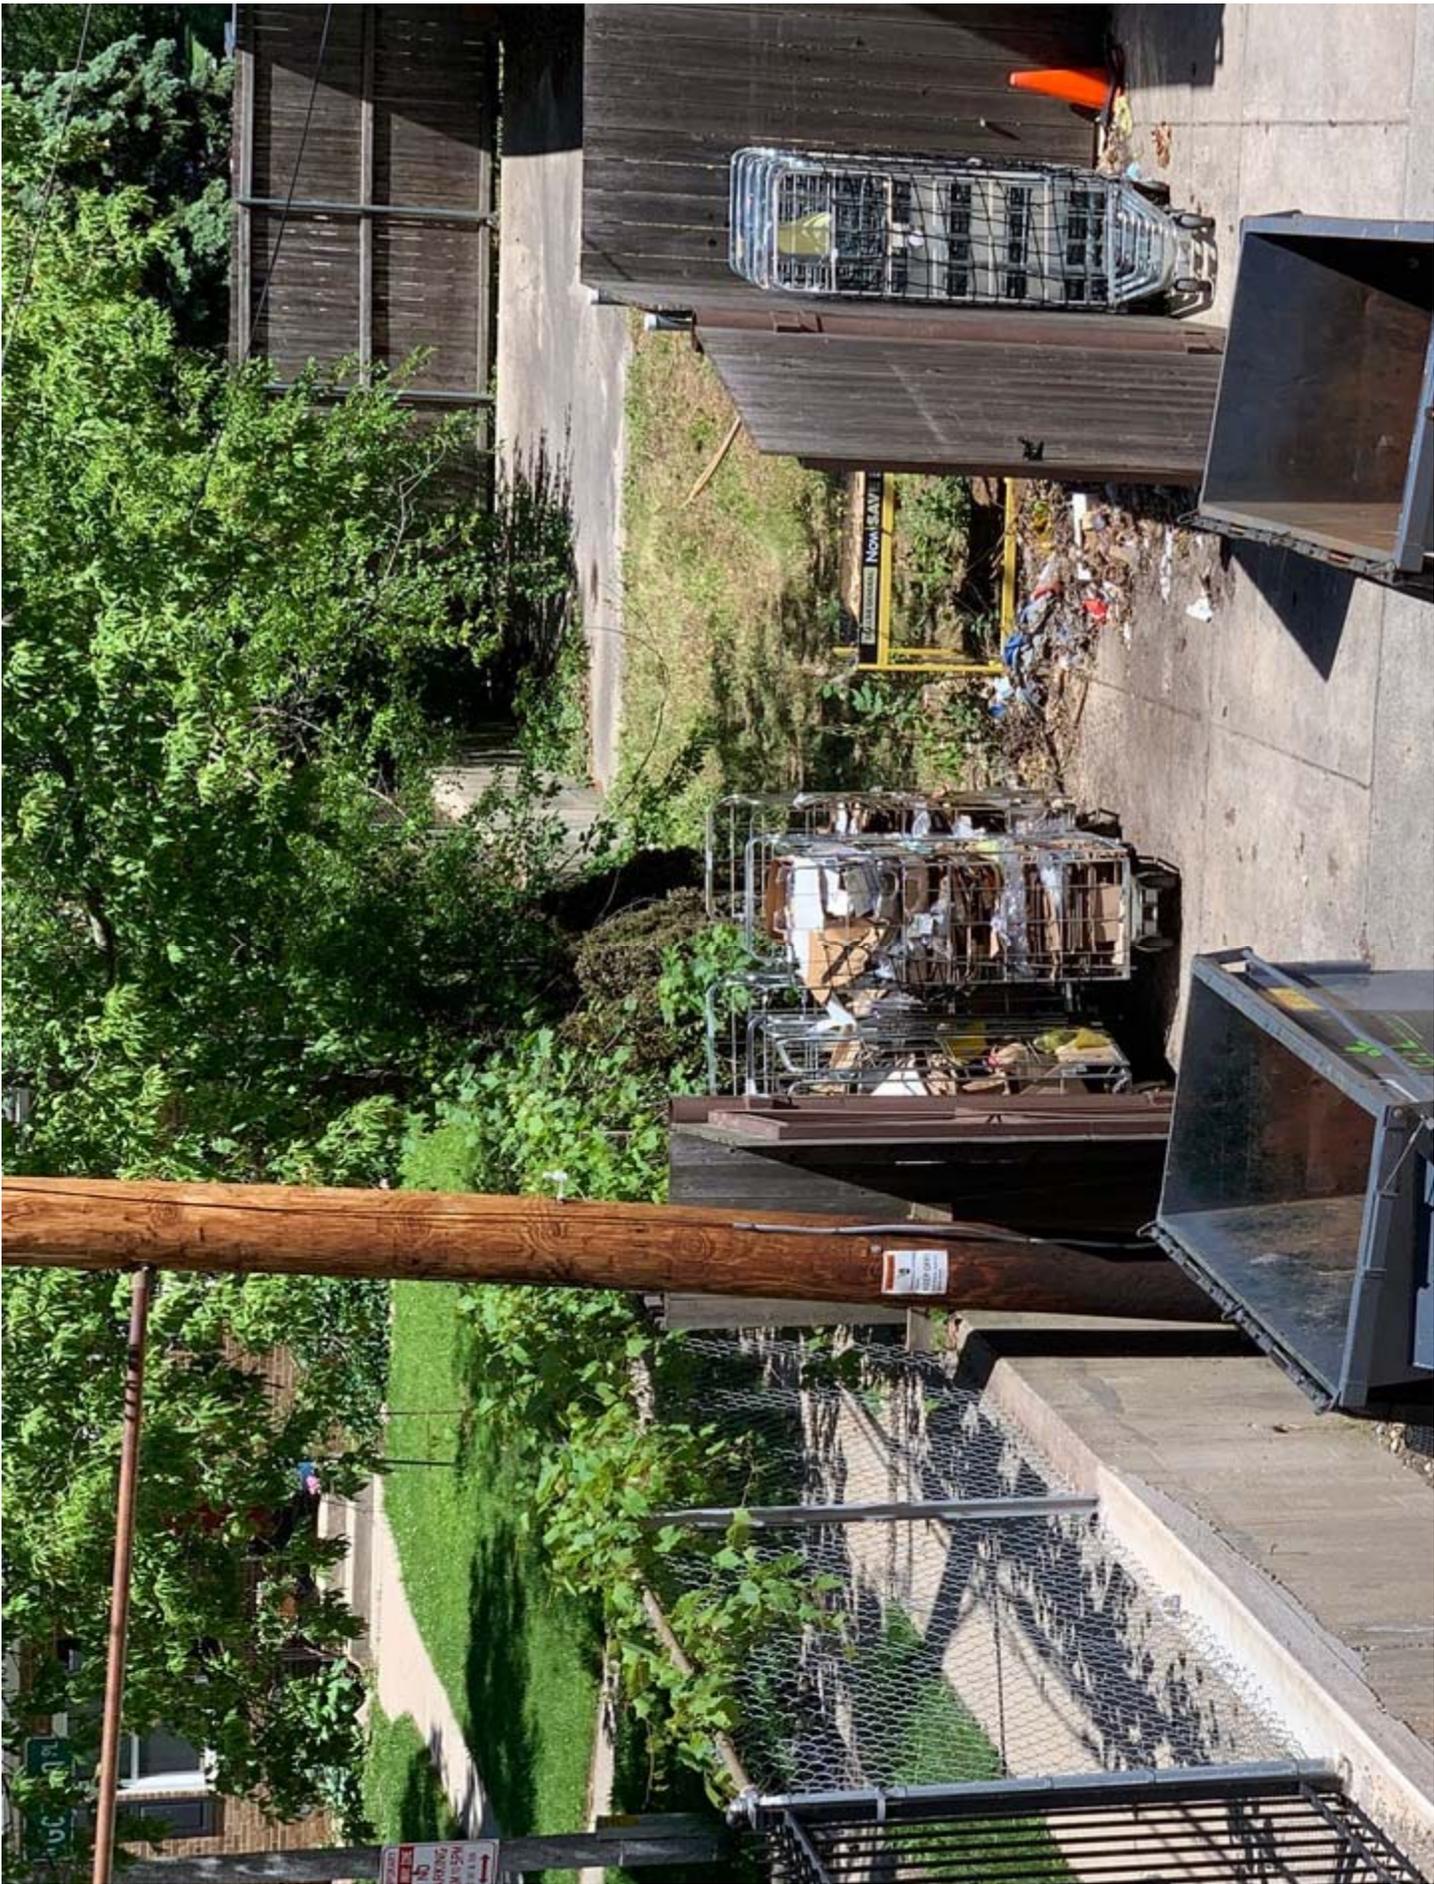

They have been and continue to be bad neighbors. They NEVER pick up the trash generated from their customers and dumpsters that flies around our neighborhood - Whitnall Knoll that is Dousman, Roadmeet, Gordon and Locust.

We are awakened by raccoons fighting for dumped foods, rats, and "dumpster divers" most nights. At one time "Roger" from the City kept DG in check but he's retired.
