**RE: Genyne Edwards nomination to Equal Rights Commission**

Dear Ms. Elmer:

Please accept this letter in support of the nomination of Ms. Genyne Edwards as a member of the Equal Rights Commission. Ms. Edwards' long term commitment to this community is evident by her involvement in critical issues that affect our community as a volunteer and consultant. Her tenure with the State of Wisconsin as well as her education in Milwaukee Public Schools and at Marquette University have well prepared her to be a champion for causes that affect individuals and businesses in our community

The Mayor's selection of Ms. Edwards as one of the five members of this Commission indicates that he understands the needs of our community. The diversity of his selections is to be applauded and I am sure Ms. Edwards and the others recommended will serve our city well.

Very truly yours,

June M. Perry, President
