#### Program Goals

The purpose of the project is to work with residents, business improvement districts (BIDs), block watches, and other community groups to identify threats impacting the quality of life in the West National Avenue, West Mitchell Street, West Lincoln Avenue, South Chavez Drive, and West Muskego Avenue neighborhoods in District 2.

#### Programmatic Summary

The beat officers patrol the West National Avenue, West Mitchell Street, West Lincoln Avenue, South Chavez Drive, and West Muskego Avenue neighborhoods within District 2 on the city's south side. The beats are primarily staffed during the day and early shifts. The targeted areas of the beat enforcement are business and residential areas that experience high levels of crime. The function of all the beat officers include proactive activity to include bus checks, business checks, citizen contacts, park and walks, probation/parole checks, subject stops, tavern checks, traffic stops, and vacant house checks.

#### Data:

The City of Milwaukee Violent Crime and Proactive Activity map displays areas with low to highest concentrations of proactive activity overlaid with a contour of violent crime. District 2 maps display homicides and violent crime densities (top right map) as well as homicides and proactive activity densities (bottom right map). The initiative areas covered by this grant are within areas of District 2 and display high concentrations of violent crime.
