Findings: April 24, 2019

Findings of Milwaukee County/City Transit Stop Technical Subcommittee Inspection Trip

Location: N35 & Vliet

Travel Time: 10

Time: 5

Routes: **35**

Direction: **S**

Request: **Move farside**

Reason: **City of Milwaukee request. Intersection improvements.**

Requested By: **City of Milwaukee**

Phone: **(414)286-3632**

Results: **The bus stop advisory committee recommends moving the stop 50 feet south of Vliet Street.**

Findings of Milwaukee County/City Transit Stop Technical Subcommittee Inspection Trip

Location: Teutonia & N20

Travel Time: 10

Time: 5

Routes: **12**

Direction: **NW**

Request: **Move Nearside**

Reason: **City of Milwaukee intersection improvements, traffic safety**

Requested By: **City of Milwaukee**

Phone: **(414)286-3632**

Results: **The bus stop committee recommends approval of the request to move the stop to the south east corner of N20 & Vienna.**

Findings of Milwaukee County/City Transit Stop Technical Subcommittee Inspection Trip

Location: Capitol & N7

Travel Time: 10

Time: 15

Routes: **RED**

Direction: **W**

Request: **Move nearside**

Reason: **Buses cannot make it to the curb to board passengers due to people in privately owned vehicles constantly blocking the stop during the start and end of the school day.**

Requested By: **MCTS**

Phone: **(414)343-1726**

Results: **Due to the number of pedestrian safety concerns, bus safety and the new location not being ADA compliant. The bus stop advisory committee recommends denial of the request to move the stop in front of Messmer HS.**

Findings: April 24, 2019

Findings of Milwaukee County/City Transit Stop Technical Subcommittee Inspection Trip

Location: Water & Wisconsin

Travel Time: 10

Time: 10

Routes: **15, 23F, 57, GRE**

Direction: **S**

Request: **Move Farside**

Reason: **Better bus efficiency, ease traffic, passenger safety (Falling ice)**

Requested By: **MCTS**

Phone: **(414)343-1728**

Results: **The bus stop advisory committee recommends moving the bus stop 100 feet south of Wisconsin Ave. The new bus stop area will require 120 feet of No Parking Any Time (5 parking street parking spaces). If approved MCTS plans to discontinue the stop at Water Street & Michigan Avenue. The removal of that stop would allow space for 7 parking spaces in the area.**

Findings of Milwaukee County/City Transit Stop Technical Subcommittee Inspection Trip

Location: Center & Holton

Travel Time: 10

Time: 5

Routes: **22**

Direction: **W**

Request: **Move Farside**

Reason: **Huron Report, MCTS recommendation**

Requested By: **MCTS**

Phone: **(414)343-1728**

Results: **The bus stop advisory committee recommends approval of the request to move farside. The new location, if approved, will be adjacent to the first driveway west of Holton Street.**
