Good afternoon,

I don't think we need another corner store in our area, we don't need more foot traffic, people walking up and down our neighborhoods.

It has been more peaceful and quiet since that corner store was last shut down, there are 2 other corner stores within just two blocks away from this location and have noticed tons of cars up and down the just speeding.

This neighborhood needs the peace of mind knowing our kids can play outside not having to watch out for traffic or people not from this area

Thank you in advance!

Case #:240100118

OtherEvent #: 24-LP-0107

On Wednesday, January 10th, 2024, at 3:25 PM, I conducted a Business Check at 3101 W Glendale Ave, located within the City and County of Milwaukee. This business check was in regards to a CPTED (Crime Prevention Through Environmental Design) assessment requested by MPD License Investigations Unit regarding a license application for a Class A Malt Beverage License and Cigar/Tobacco License.

Upon arrival, I made contact with the licensing agent who identified herself as Lanon K OUSLEY (B/F, 11/2/1969). I completed the Crime Prevention Survey Form with OUSLEY, which has been saved as an attachment with this report. OUSLEY stated the name of the business once it is opened will be Glendale Mini Market.

After completing a site assessment, I made the following comments/recommendations to OUSLEY:

- Applicant is in the process of gaining log-in credentials to access/operate the camera system. Currently unknown how long footage is saved or how to retrieve it.
- Advised applicant about placing an additional interior camera on the south side of the store near the coolers.
- West exterior wall of the property shares a gangway with the residential property next to it. Advised about placing a motion activated light to prevent people from concealing themselves.
- There are currently no exterior address numbers affixed to the building. Advised that the address numbers should be visible.
- The business has large windows on the north and east faces of the property. Advised that these windows should remain free of signage to allow passersby to view inside the store.
- Applicant was provided the phone number to enroll in a Robbery Prevention Course.
- Signed and submitted a standing complaint form and was provided two Commercial No Loitering signs.

End of report.
