Subject: Resolution relative to granting authority to the Water Works and LRB to conduct feasibility studies for water sales to the Village of Germantown

Dear Council Members:

The Village of Germantown has expressed interest in discussing the feasibility of purchasing potable water from Milwaukee. The Common Council of Milwaukee, in Resolution File No. 980871, has set forth guidelines regarding the procedure for discussing water sales with neighboring communities. The attached resolution grants authority to the Legislative Reference Bureau and the Water Works to conduct the initial studies required under the guidelines.

Your favorable consideration of the attached resolution is respectfully requested.

Very truly yours,

Carrie M. Lewis, Superintendent
Milwaukee Water Works
