CITY CLERK'S OFFICE

Dear Mr. Owczarski:

The undersigned are the owners of the real property located at 1551 North Prospect Avenue in the City of Milwaukee, which real property amounts to more than 20% of the land directly opposite and extending 100 feet from the street frontage of real property located at 1550 North Prospect Avenue in the City of Milwaukee ("1550"). We would be adversely affected by any proposed rezoning of 1550 from its current detailed planned development to any classification which permits a more dense development, including but not limited to a general multi-family residential district.

The undersigned are submitting this protest petition to object to the adoption of a proposed zoning map amendment for 1550 known as File Number 151545. The undersigned are submitting this petition pursuant to Section 295-307-5 of the Milwaukee Zoning Code and Section 62.23(7)(d)(2m)(a) of the Wisconsin Statutes to require a favorable vote of at least three-fourths of the members of the Common Council voting on any such proposed change.

Respectfully submitted,
