

**MOTION – Ald.**

**CC FILE #070160**

(Item #9 on June 12, 2007, Zoning, Neighborhoods and Development  
Committee agenda)

An ordinance relating to required board of zoning appeals findings for the  
granting of special use permits.

I move for consideration of Proposed Substitute A in lieu of the Original for  
File 070160.

Proposed Substitute A differs from the Original in that it incorporates the  
concept of overconcentration of use within 2 existing required findings for  
BOZA special use cases (namely, protection of public health, safety and  
welfare and protection of property), rather than creating a new, 5<sup>th</sup> required  
finding.
