Some people who received this message don't often get email from marc.riewer@wi.rr.com. [Learn why this is important](#)

Live Nation's proposed development threatens the very existence of Turner Hall, Cactus Club, Miller High Life Theatre, The Pabst Theater, The Riverside Theater, Shank Hall, The Rave/Eagles Club, and many other iconic neighborhood music stages, which make Milwaukee's live music scene a jewel among the nation. Although I don't live in the City of Milwaukee, I REGULARLY travel to attend shows at all of these venues. These local venues had to battle through COVID shutdowns, and now this! Please oppose the Live Nation / Ticketmaster concert venue project. Thank you.
