Dear Mr. Jim Owczarski, CMC

I am very interested in taking part in the Youth Council Program. I am currently a freshman honor Student at Rufus King International Baccalaureate High School. I am advanced in my academic studies, including foreign language. My classes consist of all upper classmen. I'm active in Extra curricular activities at school.

I formerly attended Golda Meir for Gifted & Talented from 3<sup>rd</sup> grade to 8<sup>th</sup> grade, where I graduated the top Engineer Student from the Class of 2015. I earned high school credits while at Golda Meir due to the A.P. (Advanced Placement) classes offered to me. I won first place in City and State in every Forensic Tournament I took part in. I performed with First Stage in the Annie play under the leadership of Ms. Tyne Turner at Golda Meir. I am actively a member of The Rhoer Club under the leadership of The Sigma Gamma Rho Sorority, where we are very active in the community.

I grew up active in Church and have outstanding Public Speaking Skills. I have song in the Choir, Ushered, Praise Danced and spoke during Church functions.

My goal is to continue to have outstanding grades and become more active in the Community. My future college goals are to become an Aerospace Engineer.
