Dear Alderman Murphy:

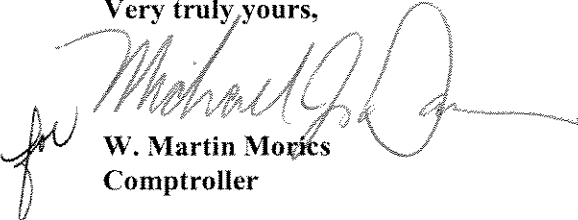

Re: Extension of Emergency Position Authority

We are requesting an extension of the above appointment authority authorized in the attached letter of December 9, 2005 from the Budget and Management Director. In accordance with Section 18-20-6-c-5 of the City Charter emergency temporary position authority was granted for a period not to exceed 45 days beginning January 2, 2006 and ending February 15, 2006. Any extensions beyond that date require Finance Committee approval. The original request was for a replacement for Ms. Polly Steinke who resigned for normal retirement effective April 5, 2006. Her replacement was hired effective Pay Period 1, 2006 and since Ms. Steinke will be carried on the payroll until April 4, 2006 using accrued vacation, holidays and tva time we request continued authority until that date. We previously requested and were granted authority to fill this position by Finance and Personnel in 2005.

Since Ms. Steinke will be on the payroll that long we further request that you allow us to continue the emergency position authority or schedule it for Finance & Personnel action, as necessary, at all subsequent meetings covering the period thru April 5, 2006.

We thank you in advance for your expeditious response to our request. If you have any further questions please contact Michael Popowycz, City Payroll Manager, at 2967.

Very truly yours,

W. Martin Morics
