Jodi –

Here is an example of the condition of some side streets in my district after the most recent snowstorm.

Thanks,

Good Morning,

My name is Jonathan Herman and I live at 7335 W Thurston Ave. I have an issue with my street not being plowed well enough like all the rest of the streets. The last snow storm was Saturday and my street still looks like this, and compared to secondary streets this is unacceptable! Thurston Ave and 74th street maybe a 3rd on the list to be plowed, but shouldn't it still be plowed as well as all the other streets? I pay for plowing every year on my water bill and it just seem the job, the plows do, on this street gets worse and worse every year! It looks like on the far side of the street there is still a foot of snow into the street. If this keeps happening I'm going to stop paying for snow plowing on my water bill, and I might just do it myself and charge the city!! This is ridiculous!!

Very Concerned,  
Jonathan Herman

Have a Fantastic Day,  
Jonathan Herman
