Re: File #060226 Communication from the Health Department relative to technical corrections to the 2006 Positions Ordinance.

Dear Mr. Owczarski:

In an effort to reconcile the proper position authority for grant funded positions in the 2006 Positions Ordinance, the Health Department is submitting this communication relative to technical corrections to the 2006 Positions Ordinance. For a variety of reasons some positions appear to have been inadvertently deleted or neglected to be added to the 2006 Positions Ordinance at the time of the Grant Resolution. The 2006 Positions Ordinance would need to be amended as follows:

Caption/Position Title

HEALTH DEPARTMENT

Family and Community Health Services

Health Behaviors and HealthCare Access Division

Adolescent Community Health Grant (J)

DELETE:

Public Health Nurse (0.8 FTE) (X) (G) (J) 1 position

ADD footnote designation "(X)" to 3 positions of Public Health Nurse (0.8 FTE) (G) (J) (MMM)

ADD:

Public Health Educator II – ACHP (J) (X) 1 position

DELETE grant title: Meta House Family Works Project Grant (N)

DELETE:

Health Project Coordinator – Meta House (N) (X) 1 position

Disease Control and Prevention Division

DELETE:

Environmental and Disease Control Specialist (X) (PP) (GG) 1 position

Childhood Immunization Disparities Grant (YY)

ADD:

Public Health Educator II - CID (X) (P) (YY) 1 position

As always, thank you for your assistance regarding this matter. If you require additional information or clarification I will be available at the Finance and Personnel Committee Meeting on June 14, 2006 or available at X3997.

Sincerely,

Yvette M. Rowe  
Business Operations Manager – Health
