Upon arrival, police observed security from the bar with the victim who believed he was shot to the head. The victim was taken to an area hospital where he received four staples to a laceration to his forehead. Police spoke with the victim who stated he walked a friend to her car when a male approached him from behind and demanded their property. They gave the suspect their money and a purse when the victim stated he then heard a shot and felt an impact to his head. Police also interviewed the witness who gave a similar statement but further provided that the suspect hit her friend over the head with the gun, which was followed by a "bang". One casing was recovered from the scene.

8. On 03/25/12 at 2:34 am, Milwaukee police were dispatched to 4323 N 60th Street for a Shots Fired Complaint. Investigation revealed two patrons of Gene's Supper Club were exiting the bar and began arguing with each in a parking lot, when an unidentified male that was standing near the two patrons, fired a shot in the air. The females ran the parking lot when another unidentified male walked up behind the shooter and was shot. The suspect then ran in between two yards dropping the magazine and a holster in a yard. The suspect then ran back to Gene's Supper Club where he threw his gun to a security guard, identified as Michael Miller with the suspect entering the bar. Officers located the suspect in the bar and place him into custody. The gun was recovered from Miller who provided a statement to police as well as other witnesses. No part of this incident occurred inside the bar.
9. On 04/03/12 at 1:00 pm, District Seven personnel and James Robinson Jr met to discuss several dangerous incidents that occurred at his bar and to provide helpful tips to reduce future occurrences. Robinson was advised that he is responsible for the safety of his patrons while they walk to and from their vehicles whether they are parked in the parking lot or across the street from the bar. Police also advised Robinson that he is responsible for his patrons littering in the neighborhood. Robinson stated to police that every year, he goes door to door in the neighborhood to listen to citizen complaints that are directly related to his business. Robinson stated he enforces a dress code and that he only allows people thirty and older to enter the bar. Robinson stated he has unarmed security guards who are from Extreme Security. Robinson stated he trusts his security staff and that they have worked for him for approximately two years. Robinson further stated he has one guard at the door checking ID's of patrons as they enter and that his staff also uses a wand to check for weapons. Robinson stated he has twelve cameras at his establishment, but only one is on the outside. Police were going to provide a security survey for Robinson. Meeting concluded.
10. On 08/08/12, the agent for Gene's Supper Club, James Robinson, received a nuisance letter from an officer at District Four in regards to two violent crimes that occurred at 4323 N. 60th Street within one year. On 08/18/12, Robinson sent an email stating that he did not feel that 80-10 was warranted and said that there were false accusations made regarding incidents at Gene's Supper Club. On 08/27/12, the Administrative Appeals Board received an appeal from Robinson regarding 80-10. A meeting was arranged with Robinson to discuss issues that were occurring at his club. The meeting took place on 09/11/12 at 10:00 am. Present were officers from District Four, ACA Nicholas DeSiato, and Safe and Sound partner Michael Totoritis. An employee of James Robinson who works as security for the club was also present. At this meeting, discussion was made of dropping the outstanding 80-10 nuisances if Robinson agreed to better security measures at his club. Also discussed were several issues that police had had with club in the past which included the following:
 - Raise age limit to 30+ to enter the club
 - Barred 10 patrons completely from entering the club
 - Capacity is 160
 - Use of cones to guide people out of the parking lot
 - Women would always go through a weapon wand, men would be patted down but not through a scanner
 - Security would have a ID scanner and a dress code
 - Prohibit troublemakers from re-entering the club; however, the bouncers do not have a formal process regarding "banned people"

According to Robinson, there have been more issues with women fighting and throwing drinks
Downloading issues of DVDs off from the video system

Robinson agreed to the age limit of 30+, banning people for good if they commit a felony on his premise, scanning drivers license and everyone with a wand.
Robinson was to submit this written plan by October 1, 2012. On Wednesday, September 26, 2012 Robinson submitted a new written course of action stating the above policy changes.

11. On 01/20/13 at 1:52 am, Milwaukee police were dispatched to 4323 N 60th Street for a Shots Fired complaint. Upon arrival, police observed two bullet holes in front of the location and patrons exiting tavern. No shooting victims were found. Officers recovered two casings from the parking lot of the tavern. Officers spoke with James Robinson who stated there was a fight inside the club that involved several patrons with security escorting several of those patrons outside to the parking lot. Robinson stated that shortly after those patrons were escorted out, there were shots fired into the tavern, from the parking lot, by an unknown subject. A security guard, Michael Miller, observed the shooting and provided police with his statement. Miller stated the shooter has been in the club on other occasions, but that he did not know the suspect's name. Police were later advised of a shooting victim at St Joseph's Hospital. The victim stated to police that a fight took place inside the Gene's Supper Club and as she was gathering up her belongings, she exited the club when she heard one gunshot and turned to walk back into the club, when she realized she had been shot to the top of her head. The victim then made contact with her aunt, who was also in the club, and had her aunt drive her to the hospital. Officers notified Robinson of the shooting and requested video surveillance of the incident. Case is pending.

12. On 02/06/13 at 9:41pm plainclothes officers conducted an investigation at Gene's Supper Club at 4323 N. 60th St. The officer and the sergeant observed two security guards standing in the parking lot in front of the entrance. One of the security guards approached the sergeant and the other walked into the building. The sergeant was patted down before he was allowed to enter the building and he was not asked for identification. The female officer was not asked for identification. The officer had identification in her very large purse. There was no age verification scanner being used at that time. The officer's ID reflected that she was 24 years old and not 30 years old which is the age restriction. The security guard did not use a wand scanner to check the female officer, her purse or the male sergeant for weapons. The security guard did not look in the purse.

13. On 02/18/13 at 4:15pm officers met with the applicant at Gene's Supper Club located at 4423 N. 60th St. regarding compliance with mandatory security measures. The applicant showed the officers the security system which was located on the second floor. The applicant had twelve cameras and added four new cameras: two for the inside of the establishment and two for the outside. The security system only recorded for one week and the footage could not be transferred onto a disc. The officer stated to the applicant she didn't think the measures he took met the ordinance requirements and she would check and get back to him.

After verifying MCO 68-4.3 and 105-91 the officer contacted the applicant to advise him his security system did not meet the criteria for the ordinances. Specifically all digital video records shall be stored on CD-R's or DVD-R's and maintained in good viewing order for 30 days after recording and made available upon request to the licensing committee and law enforcement officers. In addition he was advised that cameras installed in a Class B tavern shall be installed so as to provide a clear image of the entire premises as described on the license as well as the public right of way abutting the premises and any off street parking lot used expressly for patron parking. The applicant was advised to read the above listed city ordinances so he would not be in violation of the letter.

14. On 03/04/13 at 7:39pm officers were dispatched to Gene's Supper Club to investigate a complaint of a possible suspension violation. The officers made contact with the applicant and advised him of the complaint. The applicant showed the officers both the front and back bars and stated that he had locked up all of the liquor until the suspension is lifted. No liquor was observed by the officers. The applicant showed the officers an email from the City Attorney's office indicating that Gene's Supper Club could remain open during the suspension and serve food as long as they were closed by midnight.
15. On 04/02/13 an officer received a telephone call from the applicant regarding Gene's Supper Club and his compliance with security measures. The applicant stated he updated his security system by adding an additional camera and having the capability to record for 30 days. The officer met the applicant at the premises and he showed the officer the updated system. The officer observed that he installed an additional camera, which captures 60th St. The officer stated the applicant's security system appears to be in accordance with MCO.
16. On 04/12/13 officers were dispatched to an Entry at 4323 N. 60th St. Securitas Security was on the scene and well as the applicant. Officers checked for suspects but none were found. Security camera footage showed at 2:59am a suspect throw a landscape stone through a glass door and leave. The first suspect returned at 3:03am with another suspect acting as a lookout. Suspect #1 entered the bar through the broken window and picked up the cash register. The video further shows suspect #1 exit the bar with the cash register and he and suspect #2 flee southbound.
17. On 07/30/13 at 11:03 pm officers conducted a licensed premises check at 4323 N. 60th St. Officers identified three employees; two bartenders and a security guard. Both bartenders had Class D operator's licenses. The security guard was posted at the main entrance and conducts ID checks of patrons and pat downs of outermost clothing. The security guard is unarmed and did not have equipment like metal detector wands or an ID scanner. No violations were found and the applicant was notified via voice mail of the licensed premises check.
