To the Public Works Committee

Subject: Common Council Resolution File Number 061184

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 061184, which amends a special privilege for change of ownership to 828 North Broadway LLC for a double excess door swing and grants permission for two moveable planters and an ash can for the premises at 828 North Broadway.

828 North Broadway Partnership, seeking to renovate the main entrance to its building, requested permission for a double excess door swing to project into the public right-of-way. Permission for said doors was granted in 1996 under Common Council Resolution File Number 951263. 828 North Broadway LLC presently owns the building.

Site visits revealed the presence of moveable planters and an ash can adjacent to the aforementioned double excess door swing. Presently, there is one moveable planter in the public way, however in the recent past, up to two planters have been observed in the east, 20-foot wide sidewalk area of North Broadway. The attached resolution grants permission for two moveable planters.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the special privilege for change of ownership and will allow two moveable planters and an ash can to occupy the public right-of-way.

Very truly yours,
