

**Attachments to COA Application for
Fence Replacement Project
2443 N Terrace Ave, Milwaukee, WI 53211**

I. Location of existing fence to be replaced (in identical location)

Existing and replacement fence run along approximately the northwest quadrant of the lot boundary for 2443 N Terrace avenue (approximately 80 linear feet- red line in the satellite photo of the lot above)

At all points, the existing and proposed replacement fence are set back more than 60 feet from the street, and are completely invisible from Terrace Avenue, Bradford Avenue, and Lake Drive due to obstructing structures, trees, and vegetation.

II. Photos of existing backyard fence at 2443 N Terrace Avenue

III. ***Planned Replacement style (A-1 fence photo):***

Material: Cedar

Height: 6 feet

Diamond lattice crown, pyramidal finial

Side Gate style
