Hello sir,

I took a cab this evening with my wife back to our place of residence from the airport. We got in the taxi called "Lucky Cab", a dark male, missing right hand. I am reporting this because I do not want others to get hurt by his complacency. I hope you can take this matter very serious.

The driver was rude, drives like a maniac swerving all over S Howell down from the airport, speeding 15mph over the speed limit, slamming on brakes at red lights, didn't wear seat belt, questioning where you live like he wants to rob you, lecturing about how I was wrong to go down the rows of taxi at the airport, hovers over you while you're on the phone and violates privacy, and tries to charge 3 times over what the meter says. He said before we left that he will charge the meter. He then added \$6 on the meter and said it was because we were rude and kept him waiting. Then he tried to charge about \$67, \$40 over what the meter said. His reasoning was because he can. He literally said he will charge that

amount because he can. Who does that and say stuff like that?? The only reason why I took this cab was because it was cold and we needed to get home after a long day of traveling.

Overall, he was an extremely unsafe driver and for the sake of good people flying in and out of the Milwaukee airport and wherever he provides services, I recommend that you ban his taxi license or at the very least have the police talk to the man about safe driving... His license plate number is ACV-7043, white dodge van, Milwaukee cab number 909.

Thank you.

Very Respectfully,

REDACTED RECORD

Subject: Re: Inappropriate taxi driver

Myself and three friends, all senior citizens, were returning from a girls week in Florida. Our flight coming in was suppose to arrive in Milwaukee at 11:59 pm on February 11. It was delayed and we got in at about 2:00 am on February 12. I called the econo lodge for their shuttle bus. We had a ride and fly package with the airport econo lodge. The night manager said the shuttle bus was not running and to take the taxi, get a receipt and he would reimburse me. We took the next taxi and told the driver to go to the airport econo lodge and the manager would reimburse me. I said I think it is on 6th street. He said that was wrong and it would cost me more. I said pull over and let me goggle the address. Then when we get to the econo lodge I said to him come inside with me and get the money from the manager. I knew by this time he was going to rip us off. He said give me a tip. I swore and told him no. Then he pulled out his half arm looking for a sympathy tip. I went in and he followed. He told the manager \$28. The manager said others get \$20. I left but I think they settled for \$25. You can check with the airport econo lodge. His taxi number was 909. I have a picture. If I can not get in with email I will mail it later.
