To The Public Improvements Committee:

Dear Honorable Members:

On March 15, 1971, the City of Milwaukee was granted an easement, SE-1975, Parcels A through E, for sewer purposes in an area located west of South 76th Street and north of West Brown Deer Road, and whose address is 7700S West Brown Deer Road. The owner has requested the City's permission to construct a portion of a proposed building over the aforementioned sewer easement.

We have prepared a substitute resolution authorizing and directing the proper city officers to execute Permit and Agreement SA-1975, Parcels A and B.

We recommend adoption of the attached substitute resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
