

February 17, 2009

To the Honorable, the Common Council

Subject: 2009 Congestion Mitigation/Air Quality Program  
Twelve Intersections Citywide  
Time of Day Actuated No Turn on Red Signals

Dear Council Members:

The 2009 Capital Improvement Program includes the installation of time of day actuated “No Turn on Red” signs at the twelve intersections Citywide under the Congestion Mitigation/Air Quality (CMAQ) Program.

The total estimated cost of the project is \$68,393.23. Eighty percent of the total cost, or \$54,690.58, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, or \$13,672.65, will be provided through the Division’s existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install traffic control improvements under a CMAQ Grant in various Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
