To the Public Works Committee

Subject: Common Council Resolution File Number 070466

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070466, being an amendment to a special privilege for change of ownership to Jack L. Marcus, Inc. for an underground electrical conduit encroaching in the public right-of-way for the premises at 5300 West Fond du Lac Avenue.

Jared Corporation requested permission for an underground electrical conduit to provide power from its electrical substation on the northerly side of West Maxwell Place to its store buildings across the street. Permission for said electrical conduit was granted in 1962 under Common Council Resolution File Number 62-449.

We are not aware that the presence of said item has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said item to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Martin G. Collins
Commissioner
Department of Neighborhood Services
