To Whom it may concern,

I'm writing this letter to request an appeal. My car was damaged by a tree, curbside, in front of my home located at 3745 N 58TH BLVD. A huge branch fell on my vehicle, which dented and scratched the rear end. My tail light was also broken.

I immediately called the city of Milwaukee to have branch removed from street. At this time, I was given detailed instructions on claim process and procedures. I moved the vehicle to give crew space to work. They arrived a few hours later. I sat outside and watched entire process and wasn't asked any questions.

Since this incident, the tree has been removed. I have pictures of the tree to show decay inside of the tree. I'm currently unable to give copy of the envelope. I enclosed copies of both letters stating denial. I look forward to hearing from you.
