MEMORANDUM

DATE: January 13, 2004

TO: Alderman Michael Murphy

FROM: Kristine Hinrichs
Chief Court Administrator

SUBJECT: Drivers License Program

Attached is the information that you requested – a sampling of persons with drivers licenses suspended due to their failure to pay Milwaukee Municipal Court judgments. I have tried to provide a summary of their overall status with the Wisconsin Department of Transportation as well as the amount outstanding at the current time and the type of underlying offense. As you can see, some of these cases will be fairly straight-forward while others will require the defendant to make use of the assistance provided by community based organizations and others.

Judge Gramling and I will both attend the Finance & Personnel Committee meeting on Wednesday morning and would be happy to answer any questions you have at that time. I will also be in my office for most of this afternoon and could respond to questions at that time.
