Dear people:

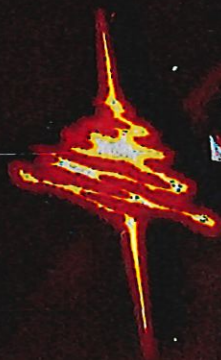

Licence committee, Mayor, Rainey, police,

I have not slept in three days and I am getting very very crankie, from the loud cars cruising on Center, from my neighbor on my right playing loud music and from my neighbors down the block in Stampers end, now the fireworks, I am short in patience.

NOW the parking is still an issue, today I had a vet appointment, I came out and found this Dorito commercial truck parked by my apron of my drive, no parking, tow away. Jays Grocery continues to use my drive for their loading zone! This flaunting is abusive, an exercise of no respect for this area or the people who live here. My property is not a loading zone nor is it a private parking space for this store. I had to wait until some of the cars moved so I could get out. I was late for my appointment which meant I had to wait with my dog in the car until I they could fit me in. Why does this place not understand that no parking is no parking, private property is not theirs for the taking.

This is a video of the loud music and hangout at the parking lot of 44th street. 4402 W. Center Street Rainey's district is stricken with guns, shooters and fatalities.

TOM BARRETT
ALD. RAINEY
Capt.

and LICENSE DEPT. LOOK AT THIS VIDEO
This will escalate this will end up badly, the hang out at 44th and Center in the parking lot of Jay's grocery store is car noise evening and early mornings they are also connecting calling for drug exchanges. The goldish car in the background has been seen making exchanges at the corners in the area. It has been called into the police in the past.

Rainey this is happening now, wait until the high school gets started.
Another homicide here
after all the videos, the pictures could be a deal breaker for careers.
I object to the license renewal of Jays grocery store.

These businesses seem to have short memories, Jays customers continue to park in tow away zones/no parking blocking my drive so I can't get out of my drive. Rainey I am asking you to reconsider these businesses licences until they start monitoring, or hire security for their hang out and the illegal use of toaway and bus stops MILW POLICE, OFFICERS YOU CAN PUT A STOP TO THIS AND I WISH YOU WOULD. THE HANGOUT AND THE DISREGARD FOR RESIDENTS, BUS STOPS AND THE HIGH SCHOOL WILL END UP IN ANOTHER DEATH. ALDERMAN RAINEY THIS DISTRICT OF YOURS CAN NOT CONTINUE WITH MORE UNNECESSARY HOMICIDES. These businesses continue to abuse my property, with trash around my garage, blocking my drive, throwing food on my garage, parking behind my garage, Gunshots going off when I clean the alleyway from these stores' garbage. Their customers hanging around on neighboring properties. This is the beginning of calamities. Now another vehicle noe a truck blocking my entrance way to garage.

While i was videoing this truck i noticed a few kids across the street which Mom by the Garage door and saw a man tinkering with the garage when the Mom said we had better leave before I called the police, the guy pulled out a joint and lit it. This turned out to be a nothing, it could have been a garage break in issue. Police engagement would be a preventative, But 7th is plagued with shootings and homicides. so Rainey you need to ensure these types of issues with these businesses do not continue so police are not stretched. Police you need to take the short time to correct these issues before this next heat wave, so no one shoots someone.

that red Honda came back after it had left and again blared its music. I looked and he turned it down and ran to his car, on the video you can see about three or four guys with him, more of the hang out guys ran to the parking lot area. That Honda sat there for about 3 1/2 to 4 hours. Hang out drugs? Last year same behavior, 5 homicides. I don't want to see that again.

The clean up guy is not picking up the trash but sweeping down toward the alley. When they see me watching because I just picked up the trash they hide around the corner. We do not need irresponsible businesses at this location. They are not a concert hall nor a social club, they are licenced as a grocery store.

I have shown you videos and pictures of customers from these businesses of cars and threats of customers who believe that my property belongs to the stores. All is legally marked tow away but they continue to use my property even when they have legal parking in front of the stores.

I am told that Ald. Rainey is issuing Promotional parties which seem to be almost twice a week at these businesses, and the people coming become erratic drivers cruising around the building, fighting, and my house is their parking area. Last Saturday not only did these incidents occur but hangout and also fights were in the alleyway. My neighbor Eugene, said they had a shootout also. I heard the fight and got some pictures of it. Called it in but it took an hour before reaching back. Fortunately no one was hurt.

So how do promotional parties work, do you not have to have security and facilities for safety and fire? Will this become a legal loophole for clubs to form under the guise of a grocery store or cell phone store? I know Rainey is promoting his hip hop but should that not be done at a facility that has parking and can house the event safely? This has been happening weekly for almost three months now.

So has permits for promotional shows been issued to any of these businesses in the last three months:

- Jays Grocery Store 4402 W. Center
- Metro Cell 4410 W. Center
- PP Piercings Plus 4412 W. Center

??

**Are such permits being issued by Alderman Rainey?
Please let me know, if there are some shady events going on then appropriate steps can be taken.**

Dear licence dept.

I am requesting you suspend the licenses of these businesses as their customers are violating my civil right to leave my home or return to my home because their customers block my access to my garage. This is daily and it is constant and it is basically the same cars they are repeaters even though there is plenty of parking around and on the other side of the no parking area.

Yesterday I had to wait 10 min. so I was late with my rideshare person because a car was blocking my ability to swing from my garage without hitting him.

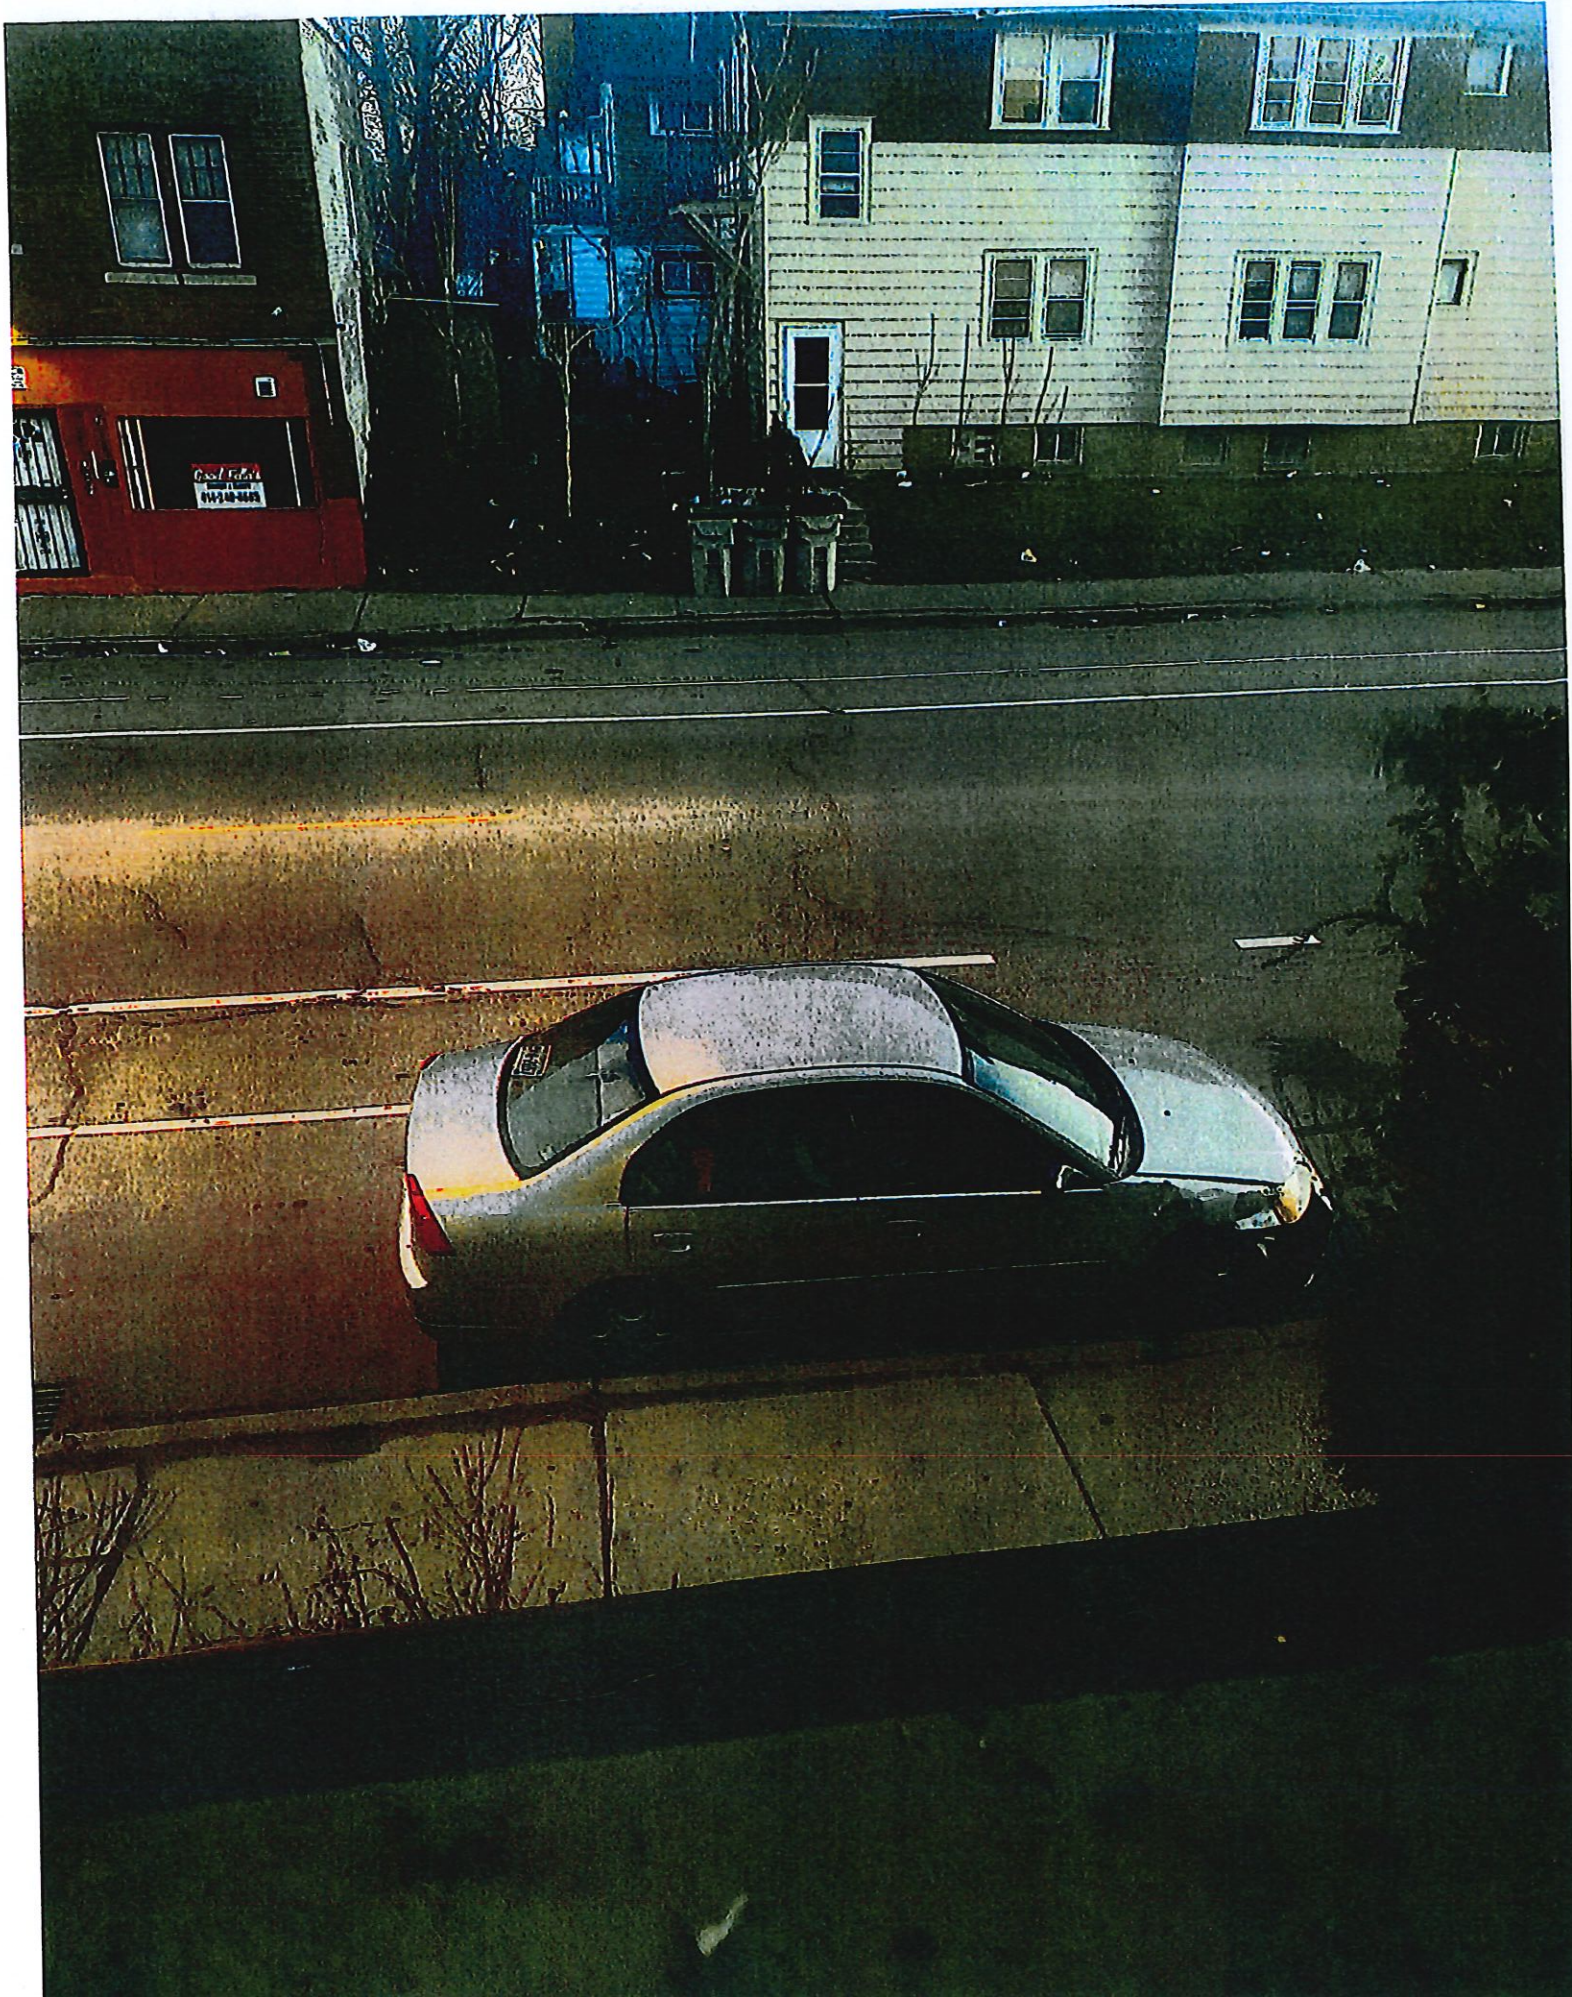

In the morning a customer walked behind my vehicle as I was leaving/ backing out of my garage and he pulled his pants down to moon me, yes he was in full bloom and he is a hefty guy. Now the question is when something violent occurs who will be sued? I will have a book of pictures, videos, and a book of **no action taken.**
Alderman Rainey you promised that the security lights would be working at this building never happened! Prostitution, hang out and drugs are on the Increase. PP Piercings clients continue to block my garage and park in the no parking area in the evenings and in the allies.
Licence Dept. you gave these guys a license after PP Piercings got your official ok we had 5 homicides now the traffic ticket officers have called into the police about guys and girls hanging at 4412 W. Center at the alley.
Assaults in the area are on the increase. Accidents are already on the rise here.

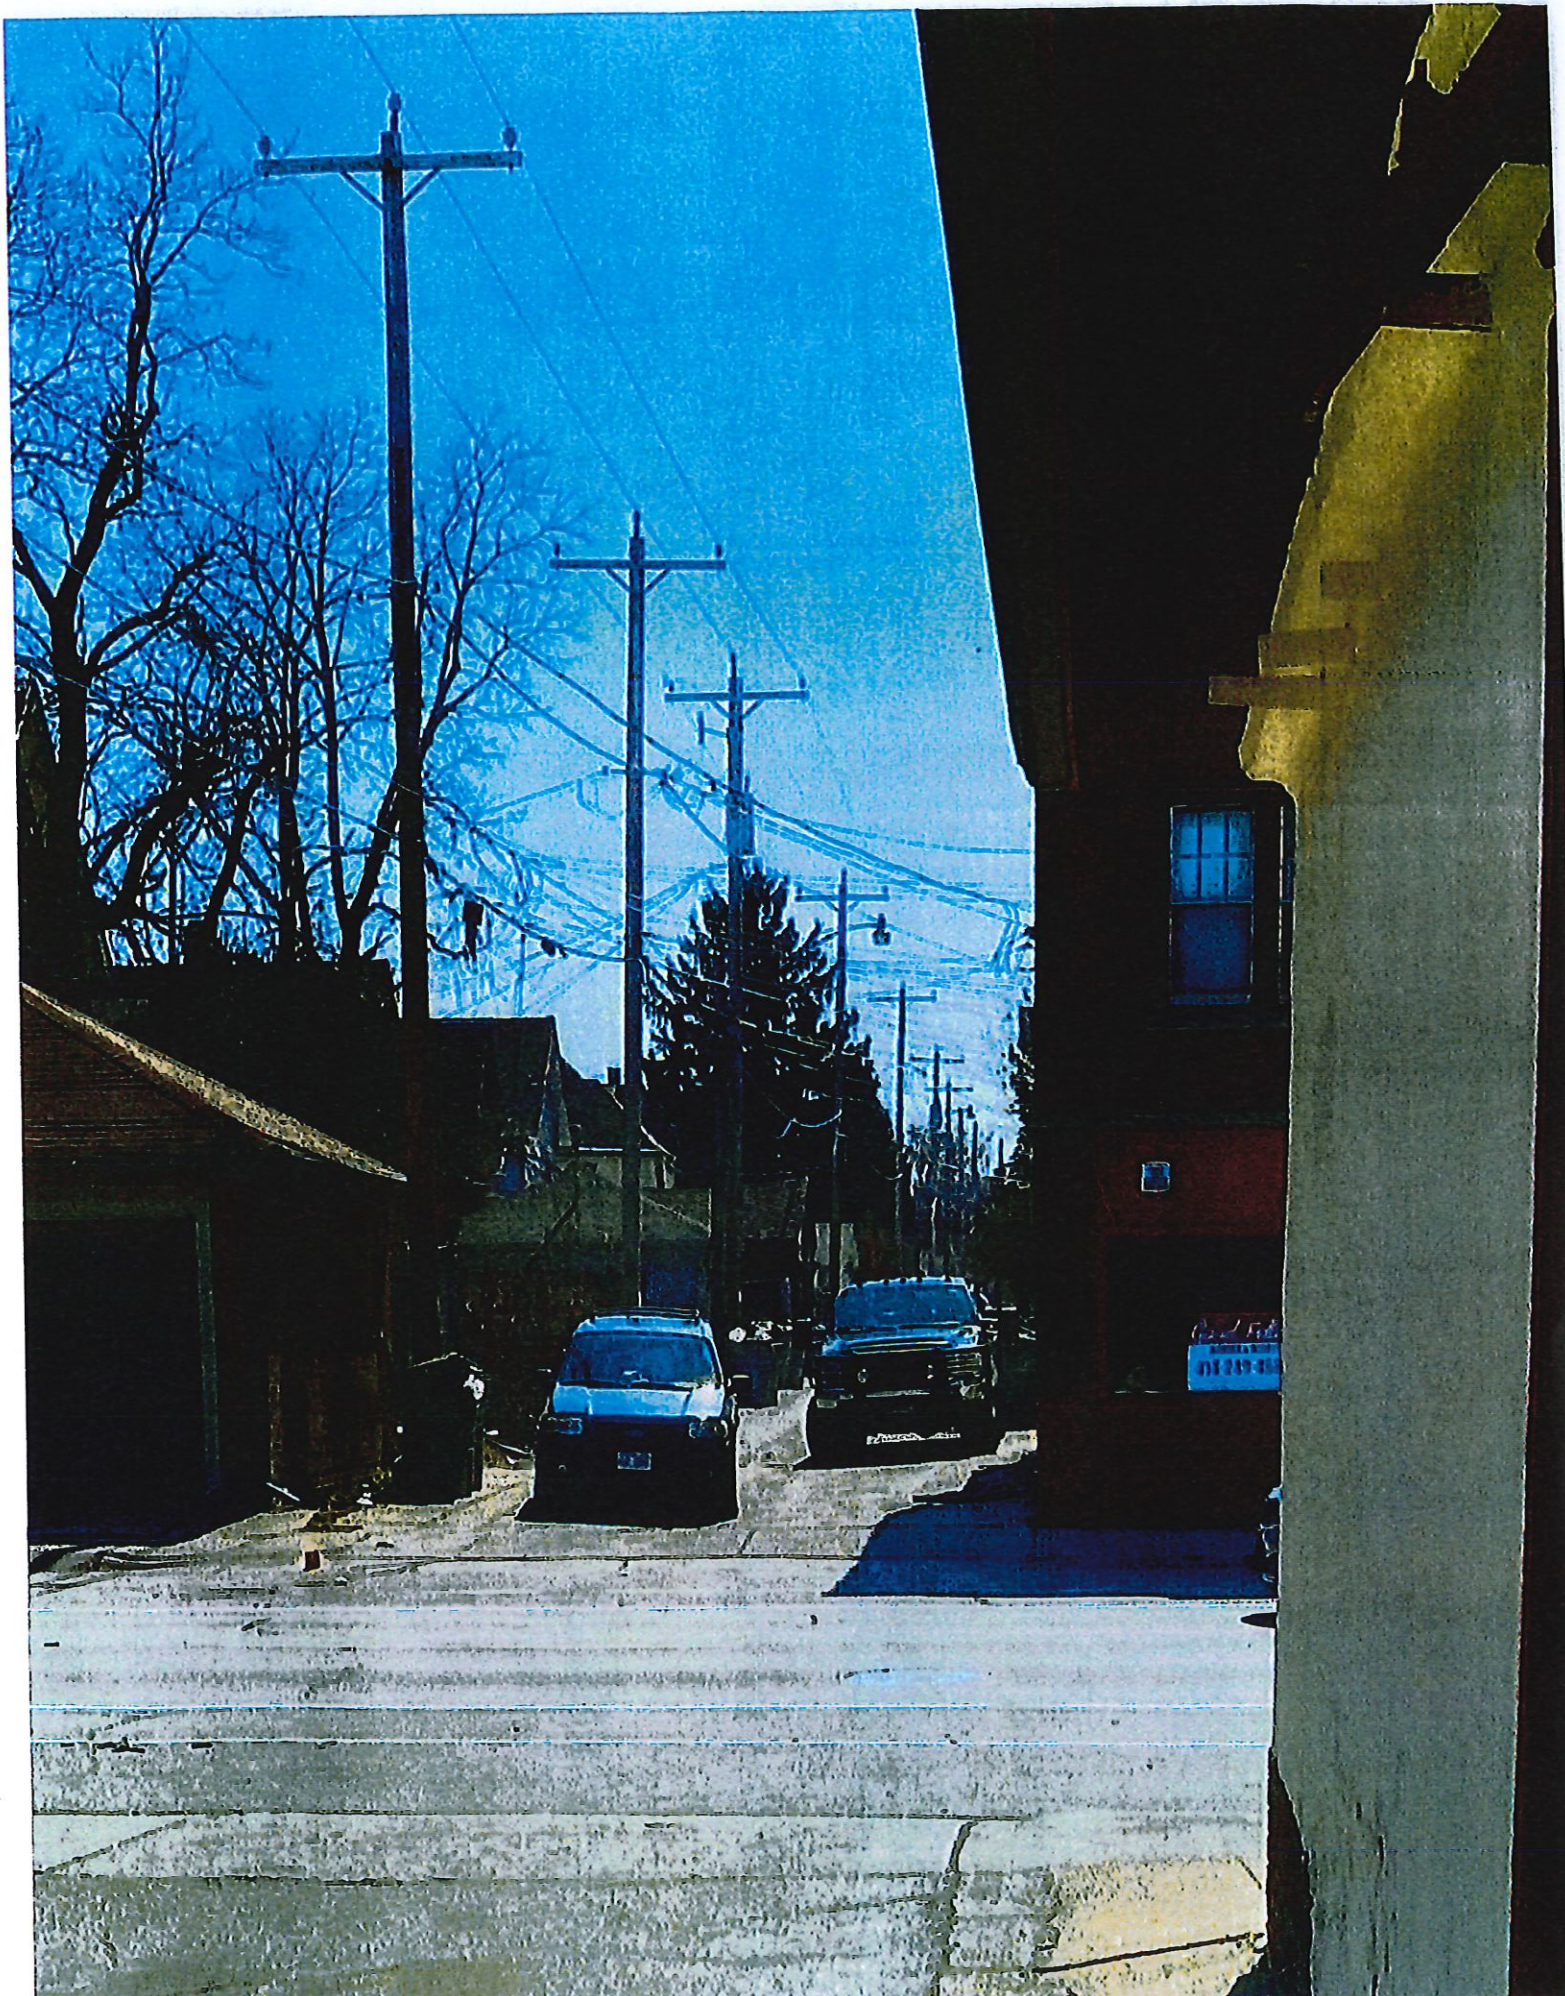

WHEN ARE YOU GOING TO TAKE ACTION !!!! WHEN ARE YOU GOING TO STOP THE HARASSMENT FROM THESE BUSINESS? HOW FAR WILL THIS GO BEFORE YOU START ACTION AGAINST THIS BEHAVIOR? WHO WILL GET HARMED AND THEN WHO WILL THE FAMILIES SUE FOR LACK OF ACTION?

Please note Sunday afternoon coming home I found a wht SUV blocking my access to my drive.

Now i had a long talk with the ticket officers and as we were talking the cars came and blocked my drive and ended up filling the no pking area, bus stop. That officer then became agitated, as they had lots of legal parking. I am hoping they can work more with this area because they said that this area will become a disaster area when the weather gets warmer.

Rainey the time to make a step for communities is now. This corner from Sherman and Center to 51st and Center can be improved and made relatively safe, it is a focal point for the Sherman Park community, safety and improvement. Rainey only you can take progressive action that will make a difference. I hope you do not wait until it is too late.

customers' cars continue to block drive access NO PARKING even though plenty of parking on Center street is legal parking.

Also notice trash by curbs these stores, along with other stores on Center, sweep their trash onto the streets. A BIG DETERRENT TO HAVING GOOD BUSINESS OPEN UP SHOP IN OUR AREA.

Now here is an odd thing, I have been allowing a short amount of time to go by before I call the car into traffic but as soon as I do make a call, these cars then decide to leave my garage area so I tried vairing the time on these cars and consistently they move as soon as I call them in. It could be 5 minutes, it could be 35 minutes, like the silver GMC as soon as I call it in, the owner shows up a minute later. COINCIDENCE IF THERE IS INDEED SOMETHING GOING ON WITH THE TRAFFIC PEOPLE AND THE STORE I WILL EVENTUALLY FIND OUT AND BY THE WAY I WAS PLACED ON HOLD FOR SEVEN MINUTES BY THE DISPATCH OPERATOR BEFORE SHE GAVE ME THE CONFIRMATION NUMBER.

The majority of them patronize Jay's Grocery store, and some are from PP Piercings. Jays is 4402 and PP' Piercings is 4412. PP Piercings come in the evenings, and Jays offending clientele are late afternoon and evening. Rabei is the owner of both the store a half a block east of Jay's and Jay's. It is an LLC they change crews a lot but Adel may be managing the store at 44th and Center. There is a cultural difference with some of the people at the stores. Raibie owns the building which he divided into three businesses. Rabei is a smart man, he speaks multiple languages besides his native tongue and english. He is the easiest to have conversations with but may still harbor gender cultural attitudes. All these guys are yes sir and mam very nice to talk with but soon forget agreements and promises. I personally like these guys but they have done some severe damage to our block both physically and emotionally. PP Piercing is William.

Good afternoon,

Would you by any chance have the name and address of the establishment the subjects are patronizing?

Subject: store customers harassment

Dear people I am deeply worried I am sending photos but also have video of these guys. They keep coming back and blocking my drive access. Both of these guys have come daily. The blue car saw me taking pictures and panicked and quickly backed out and drove down 45th south and the silver fled in hot pursuit. I am worried because their behavior and their continuing to block my drive access may mean they may be dangerous.

Blk chevy car parked by my back door and driveway access parking no one in it music at a boom boom level enough to attract attention.

No cars anywhere else on the streets except one, many legal spots next to the stores.

Clearly they are making a statement by my drive and by the music. Did not call it in to parking because this maybe just the beginning for this evening. I will be calling every ten minutes.

My objections to the licensing which I listed under click for action, sent pictures but here they are again:

- 1- Trash all over I pick up two bags of trash a day from his store and have over 1000 receipts from his store in the last two months which was dumped on my property along with the trash.
- 2- I have called this store and talked with the owner, his last words to me was I don't care about the neighbors or you, what my store does is none of your business and none of the business of the neighborhood. His number which he sometimes answers is 414-687-5374. I also have text messages which I copied asking him to take care of his customer parking which most of the time he did not reply.
- 3- He uses my property for his customer parking because his tenants park in the customer parking leaving no parking space for customers.
- 4- He has had multiple violations from construction material in and around my property, in my garbage cans (I had to place my garbage bins in my garage to stop them from filling them), and down the alleyway.
- 5- He did a rap video which was promoted by the store on the net bringing in many young men thinking this store belonged to the hood and believed and still do that the law does not apply to them. One person said to me that our neighborhood was the ghetto and if I want to make it nice or safe to go move to Brookfield. I have this on recording.
- 6- His customers sit in no parking areas, the bus stop and my driveway, they smoke, drink, and throw trash, and on occasion they shoot. I have two bullet holes in my window.
- 7- There is constant noise from his customers from cars.
- 8- They tagged the back of my garage three times which I had to repaint.
- 9- Drugs and students all around this place.
- 10- He uses my driveway for his store deliveries.
- 11- the gun violence, his store employees got in a gun battle supposedly over a parking place, but it amounted to an individual who was using the parking space for drugs sales and who sometimes worked for the store. An argument occurred over money being pocketed by one individual he came back, and a gun battle resulted with an assault rifle being fired off multiple times. Mind you I live next to this building, the school is across the street which went into lock down, and there was a daycare place right next to the store on 44th street.
- 12- Students hang out around this business all the time.
- 13- Has been a major place cruising and accidents.

Listed below shows the illegal parking in front of my drive and and near the bus top, one show a drug exchange, one shows all the different cars one of his tenants may drive his tattoo person also parks in the customer parking, his lady also parks in the customer parking and the cellular phone guy also parks in the customer parking

making my property the place where all his customers park. One picture of me unable to get into my garage.

I have at least 75 pictures of trash and parking violations and hang out.
