Dear Ms. Lewis

On April 22, 2014 the Common Council voted to renew your Hotel/Motel license for 5442 N Lovers Lane Rd with a warning letter.

This course of action was taken based upon testimony given at your hearing of April 8, 2014 and your police report. The warning is being given with the expectation that you will take appropriate action to ensure that incidents of this nature do not reoccur.

Sincerely,

Jessica Celella
Staff Assistant
