UPON CONDITIONS

- 1. That said FACILITIES shall be maintained and kept in good order and condition by the City.
- 2. That no structures may be placed within the limits of the EASEMENT by the Grantor excepting that improvements such as lawns, concrete walks, roadways, driveways, and parking lot surfacing may be constructed, and that the City will replace such damaged or removed lawns, concrete walks, roadways, driveways, and parking lot surfacing, at its own cost, after making any necessary repairs, reconstruction, or enlargement of the FACILITIES in the EASEMENT.

- 5. That no additional charges will be made against said lands for the cost of construction, operation, maintenance, inspection, repair, enlargement, reconstruction or relocation of said FACILITIES in the aforedescribed property. Excepting that 1) When the Grantor makes application for a permit to connect to said FACILITIES in the aforedescribed EASEMENT, the regular and customary connection permit fee in effect at the time of application shall be paid, and 2) The sewer maintenance, user fees or other sewer fees in effect for all City of Milwaukee serviced properties, that appear as charges to Grantor's herein described property, shall be paid.

- 6. That the FACILITIES shall be accessible for maintenance at all times. The Grantor shall submit plans for approval by the Commissioner of Public Works of the City for any underground installation within the EASEMENT.
