Subject: Missed Hearing June 24th

Good morning,

I hope this email finds you well. I received a letter in the mail this morning dated June 14th 2024 stating I was scheduled to appear June 24th 2024 @ 9am.

There is no way I would have known I had to appear June 24th when I am receiving this notice today.

Please advise me of the steps I should take to get this meeting rescheduled. I have been waiting on an update regarding this incident and unfortunately was not notified prior to that a hearing was coming up. I hope you understand my concerns and look forward to hearing back from you soon.

Best Regards,

Jennifer Anderson
