RE: Tower Automotive Site

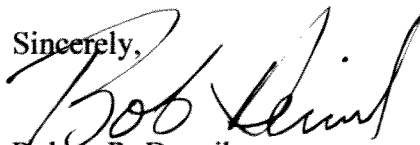

*Dear,*  
Dear Mr. Misky and RACM Commissioners:

As a member of the Board of Directors for the 30<sup>th</sup> Street Industrial Corridor, I recognize the positive impact that the redevelopment of the Tower Automotive Site will have on business, area residents and the revitalization of the 30<sup>th</sup> Street Industrial Corridor, surrounding neighborhood, the City of Milwaukee and southeastern Wisconsin.

Therefore, I am pleased to submit this letter in support of the City of Milwaukee and its proposal to create a tax incremental finance district for the area surrounding the Tower Automotive Site. I am excited about the opportunities the redevelopment of this site provides and look forward to seeing the site become a center for industry, commerce and jobs for the neighborhood and the greater Milwaukee community.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

Robert R. Dennik  
Vice President
