RE: File #080814 - Lincoln Avenue Zoning

RDAR Corporation owns the land which abuts the parcel involved in the above file on the east.

RDAR Corporation wants to voice its opposition to the planned zoning change and the proposed use of the parcel on the northeast corner of South 1<sup>st</sup> Street and E. Lincoln Avenue.

We believe this proposed zoning change and proposed land use will depress land values in the neighborhood and is not consistent with the efforts and investments of landowners attempting to establish the Kinnickinnic River neighborhood as a destination for recreational activities and supporting services.
