ATTN: CLAIMS
200 East Wells Street, Room 205
Milwaukee Wisconsin 53202-3567

Dear City Claims,

December 24, 2019 at 6051 W Fond Du Lac Ave the home that I'm renting flooded sometime between the time of 10:20pm or 11pm. The next day I had learned from my landlord Ricky Bates that it was caused by a water pipe that break by the the City of Milwaukee water company and that's who I should contact due to the damage.

On that day my daughter and I was watching tv and the living room when I saw water entering the living room coming from the dining room. I actually thought that my dog was using the bathroom in the house and that's something that he doesn't do. I gotten up and looked out the patio door and saw that the whole front area was flooded with water the water. Starts flooding the house very fast. My daughter sat on the couch I went in the room sit on my bed and the water made it halfway up the furniture and bed. I proceeded to tell my daughter let's go and got my dog to leave the home at this point. Due to us feeling very unsafe in the home at that time. We proceeded to leave the house the water was at our waist area my dog had to swim out of the home into the car. We had a hard time getting the car out of the driveway once we finally gotten it car out of the driveway.

The car start moving slowly. The side of the seat airbags popped out my daughter screamed in tears saying mama please pull over she was in pain from the airbags. I made it to Marathon gas station on 42th and Silver Spring. My daughter and I found out we left our phones. I wanted into Marathon gas station and asked him can I use their phone. That's when I called 911 they told me about the incident at hand and they transferred me to the fire department. The fire department told us to contact the Red Cross I contact the Red Cross Red Cross they never contacted me back. After I contacted Red Cross I called my family and we were picked up from Marathon because my car wouldn't even start any more it was stuck at Marathon gas station. The next morning I called a tow to get the car and tow too my home. Due to the damage of the flood my landlord told me to contact FEMA. FEMA told me to contact you guys aswell.

The estimate 35,000 it Ruin 2 cars, furniture and everything else. Some of the things that I didn't have receipts to send to you. But I did get copies of the receipts I do have, for the 2007 Nissan maxima I'm giving you guys a call and I was told that to explain that Fire Stone complete auto and Milwaukee auto repair wouldn't give me a damage estimate due to the car flooded. They told me to take it to Nissan dealership and they will do the damage estimates. That's why I only have one estimate for the car. I have videos if you can send me your email address I will send you the videos of the flood damage that happened in the home on that day.

Sincerely yours,

- The document should include the date, time, and location of the incident.
- The document should include your address, daytime phone number, and e-mail address if any along with a statement of the relief sought. If monetary damages are sought, a specific sum must be stated.
- Proof of the amount of the claim by means of itemized receipts or two (2) itemized estimates.

OFFICE OF THE CITY CLERK
Milwaukee, Wisconsin

INSTRUCTIONS FOR FILING A CLAIM AGAINST THE CITY OF MILWAUKEE

To file a claim against the City a claimant must comply with Section 893.80(1), Wis. Stats., a copy of which is printed at the bottom of this instruction sheet. Generally the statute requires the claimant to submit to the City Clerk:

1. A document stating the circumstances of the claim which must be signed by the claimant, or his/her agent or attorney. This document should be filed within 120 days of the event.
2. A document stating the address of the claimant and a statement of the relief sought. If money damages are sought, a specific sum must be stated.

(The above information may be combined in a single document.)

The following information should also be submitted to allow the City to promptly act on your claim:

1. Proof of the amount of the claim by means of either itemized receipts or two itemized estimates.
2. A phone number where the claimant can be reached during business hours as well as the claimant's e-mail address, if any.
3. As detailed a description of the incident as possible, including the date, time and place.

All information should be submitted to:

City Clerk
ATTN: CLAIMS
200 E. Wells St., Room 205
Milwaukee, WI 53202-3567

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. **(1)** Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
