Hello Alderwoman Dimitrijevic,

With the Zoning, Neighborhoods and Development Committee meeting coming up on the morning of Tuesday, June 29, the Bay View Historical Society encourages and supports the historic designation of the Puddlers' Cottages. As the alderwoman for the area and a voting member of ZND, your support is critical to the designation passing. The designation would help preserve Bay View's historic homes, and help maintain affordable housing.

Thank you!

Hannah Hazelberg  
BVHS President
