To the Honorable
the Common council
City of Milwaukee

Subject: Resolution granting permission for water sales to the
Village of Thiensville

Dear Council Members:

Wisconsin Gas Water Services is a wholesale customer of the Milwaukee Water Works and distributes water in the City of Mequon.

The contract with Wisconsin Gas Water Services limits the service area to the municipal boundaries of the City of Mequon. Recently, the Village of Thiensville expressed interest in obtaining Lake Michigan water and Wisconsin Gas Water Services requested permission to proceed with talks with the Village. The Village of Thiensville has a population of approximately 3,300, lies entirely within the boundaries of the City of Mequon and is essentially fully developed. The Milwaukee Water Works has no objection to including Thiensville in the area served by Wisconsin Gas Water Services.

Your favorable consideration of this resolution is respectfully requested.

Sincerely,

Carrie M. Lewis, Superintendent
Milwaukee Water Works

Mariano A. Schifalacqua, Commissioner
Department of Public Works
