Chris,

I agree with your assessment. You should delete the "Public Health Educator II (J)(X)(W)".

Sarah,

For the attached report, action required language for the Health Dept, think there is an error.

Should this line:

Delete one position of "Public Health Educator II (X)(HHH)(J)"

Be this instead?:

Delete one position of "Public Health Educator II (J)(X)(W)"

That is what the most current position ordinance is showing me, also attached.

Please advise.

Sincerely,

Chris Lee

Hi Everyone,

Attached are reports that were submitted to the June 25, 2019 City Service Commission meeting and will be heard at the Finance and Personnel Committee meeting on July 2, 2019. Please note the reports were revised primarily to add in the "Action Required" for Salary and Position Ordinance changes. A couple of other changes were made for clarification but all recommendations are the same.
