**SUBJECT: 13th ALD. DIST. - FILE #191634
INSTALL NO U-TURNS FROM 6:00 AM TO 9:00 AM MONDAY
THROUGH FRIDAY ON WEST HOWARD AVENUE AT
SOUTH 2ND STREET FOR EASTBOUND TRAFFIC**

Dear Alderman Spiker:

This is in response to your request on behalf of a local resident to install the above-captioned turn restriction.

Our traffic engineering staff has investigated this request and found that the high number of U-turns being performed by east bound motorists on West Howard Avenue at South 2nd Street during morning peak traffic volume times trying to avoid long wait times at the I-94 northbound on-ramp are creating a safety concern for west bound motorists on West Howard Avenue and south bound motorists on South 2nd Street entering onto West Howard Avenue. Therefore, in the interest of public safety, we recommend the installation of the above-captioned turn restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.
