

July 5, 2007

To the Honorable, the Common Council

Subject: Project I.D. 2140-08-73  
North 76<sup>th</sup> Street (STH 181)  
West Calumet Road to  
West County Line Road

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has programmed the improvement of the subject project for the summer of 2008. Engineering work being done by the WISDOT's design consultant, Strand Associates, Inc. has indicated the need for temporary and permanent conveyances of rights associated with City of Milwaukee water and sewer utilities to allow construction to proceed.

The attached resolution approves the documents and authorizes the Commissioner of Public Works to execute them. There are no associated costs to the City as part of these proceedings.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

LCG:amh
